Hi. I'm NASA astronaut Cady Coleman a graduate

2

00:00:06,086 --> 00:00:08,506

of W.T. Woodson High School
in Fairfax, Virginia.

3

00:00:09,306 --> 00:00:12,006

Back then I didn't know that
I'd be an astronaut someday,

4

00:00:12,006 --> 00:00:18,136

and now I realize that it wouldn't have been
possible without the solid skills in science,

5

00:00:18,416 --> 00:00:21,716

technology, engineering and
math that I got there.

6

00:00:22,296 --> 00:00:23,286

So take it from me.

7

00:00:23,566 --> 00:00:26,586

Education is your ticket
to an incredible future.
