Hi. I'm NASA astronaut Ron Garan a graduate of Roosevelt High School in Yonkers, New York.

2

00:00:07,856 --> 00:00:09,786

Back then I didn't know that I'd become an astronaut,

3

00:00:10,076 --> 00:00:14,506

but now I know that it wouldn't have been possible without solid skills in science,

4

00:00:14,736 --> 00:00:16,246

technology, engineering and math.

5

00:00:16,916 --> 00:00:19,866

I've learned that education is your ticket to an incredible future.
