

1
00:00:02,316 --> 00:00:04,646
>> Houston Station.

2
00:00:05,516 --> 00:00:10,566
[Foreign]

3
00:00:11,066 --> 00:00:11,976
>> My name is --

4
00:00:12,516 --> 00:00:16,516
[Silence]

5
00:00:17,016 --> 00:00:20,000
[Foreign]

6
00:00:20,066 --> 00:00:24,006
>> I am Andre Barisenka [phonetic],
and I am accepting command

7
00:00:24,006 --> 00:00:24,976
of the International Space Station.

8
00:00:25,516 --> 00:00:30,246
[Silence]

9
00:00:30,746 --> 00:00:35,926
>> Houston, I want to thank you
all for the great help and support,

10
00:00:35,926 --> 00:00:40,536
and looking forward to --
to working with you again.

11
00:00:41,026 --> 00:00:41,976
Thanks a lot.

12
00:00:42,516 --> 00:00:51,516
[Silence]

13

00:00:52,016 --> 00:00:52,083

>> [Inaudible].

14

00:00:52,236 --> 00:00:54,176

>> Houston Endeavor --

15

00:00:54,176 --> 00:00:58,136

>> Team, it's been a pleasure
and an honor seeing you up there

16

00:00:58,136 --> 00:00:59,726

as Commander of the Space Station.

17

00:00:59,726 --> 00:01:04,196

We go back -- you and I go back a long
time in training for various backup crews.

18

00:01:05,156 --> 00:01:08,966

You've done the space program
-- the Russian space program

19

00:01:08,966 --> 00:01:10,666

and the international space program.

20

00:01:10,666 --> 00:01:15,526

Great credit with your exceptional
command of the space station.

21

00:01:15,526 --> 00:01:20,046

I'm delighted to see you finally up there, and
I can't wait to see you back here on the ground.

22

00:01:20,046 --> 00:01:20,866

Congratulations.

23

00:01:21,106 --> 00:01:25,806

And Andre congratulations to you on
accepting command of the space station.

24
00:01:25,806 --> 00:01:33,976
We look forward to continued work with you,
and your exceptional work and crew up there.

25
00:01:34,516 --> 00:01:37,626
[Silence]

26
00:01:38,126 --> 00:01:39,846
>> Thank you Don [phonetic],
for your kind words.

27
00:01:40,516 --> 00:01:47,616
[Silence]

28
00:01:48,116 --> 00:01:52,396
>> And Houston, we can only
[inaudible] words, we --

29
00:01:53,126 --> 00:02:01,556
we spent five and a half months up here under
the command and vigil eye of Dimitri [phonetic],

30
00:02:02,046 --> 00:02:04,416
and we could not have asked for best.

31
00:02:04,676 --> 00:02:11,446
The -- his work here, his control of the
situation, his understanding was exceptional.

32
00:02:11,796 --> 00:02:16,476
We really appreciate it, all we could
do and accomplish in those six months.

33
00:02:17,046 --> 00:02:24,796
And of course good luck to Andre for this
next pier [phonetic] that is coming up.

34
00:02:24,906 --> 00:02:28,796

It's gonna be interesting, a lot of things going on, another shuttle coming.

35

00:02:28,796 --> 00:02:34,276

We have a taste now of how of a hurricane a shuttle can be up here.

36

00:02:34,276 --> 00:02:37,686

So we wish you -- or I'll wish you that you'll have

37

00:02:37,686 --> 00:02:41,976

as an interesting and nice experience as we have.

38

00:02:42,516 --> 00:02:47,076

[Silence]

39

00:02:47,576 --> 00:02:48,836

>> Wait a second.

40

00:02:50,906 --> 00:02:57,376

>> And for Houston, for Scuba [phonetic], for Munich, and for Moscow, we would like --

41

00:02:57,376 --> 00:02:59,666

and for Huntsville, we'd like to thank all

42

00:02:59,666 --> 00:03:02,986

of the control centers for making us part of your team.

43

00:03:02,986 --> 00:03:06,176

We are the crew, but the crew is part of the larger team.

44

00:03:06,176 --> 00:03:10,756

And it takes a very large team to do the work that we have done in the last few months.

45
00:03:10,756 --> 00:03:15,366
And we understand how much work it is on the
ground, and we appreciate all your efforts

46
00:03:15,446 --> 00:03:19,616
that make -- make -- make into a plan
that we can accomplish here on board.

47
00:03:19,806 --> 00:03:24,426
I think we've done a lot of great science, and
-- and certainly I think the space station is

48
00:03:24,426 --> 00:03:26,446
in a really good state for the future.

49
00:03:26,696 --> 00:03:31,036
Thank you.

50
00:03:31,256 --> 00:03:33,546
>> And for Houston, Katie
[phonetic], Paolo [phonetic],

51
00:03:33,546 --> 00:03:36,236
and Jima [phonetic], thank you for those words.

52
00:03:36,236 --> 00:03:41,436
It has been amazing watching you work,
create all the science that you have.

53
00:03:41,806 --> 00:03:44,806
And we just can't wait to have
you back here on the ground

54
00:03:44,806 --> 00:03:47,586
and give you the big hugs
that -- that you deserve.

55
00:03:47,586 --> 00:03:50,976
So from Houston, thank you for all

your hard work, and safe travel back.

56

00:03:51,516 --> 00:03:55,626

[Silence]

57

00:03:56,126 --> 00:03:56,486

>> Thank you.

58

00:03:56,486 --> 00:03:56,976

Appreciate it.

59

00:03:57,516 --> 00:04:02,516

[Silence]

60

00:04:03,016 --> 00:04:06,000

[Foreign]

61

00:04:06,516 --> 00:04:18,546

[Silence]

62

00:04:19,046 --> 00:04:20,836

>> Moscow station, [inaudible].

63

00:04:21,061 --> 00:04:23,061

[Foreign]

64

00:04:23,106 --> 00:04:23,776

>> Go ahead, Dima [phonetic].

65

00:04:24,516 --> 00:04:28,586

[Foreign]

66

00:04:29,086 --> 00:04:33,496

>> -- has relinquished command of
the international space station.

67

00:04:34,266 --> 00:04:41,216

Andre Barisenka has assumed the command

of the international space station.

68

00:04:41,216 --> 00:04:43,626

Andre, Mitri [phonetic], congratulations.

69

00:04:44,056 --> 00:04:47,576

Mitri, thank you for your work.

70

00:04:48,636 --> 00:04:49,126

Thank you.

71

00:04:49,126 --> 00:04:49,976

We'll see you on the ground.

72

00:04:50,516 --> 00:04:54,776

[Silence]

73

00:04:55,276 --> 00:04:58,676

>> Okay, so we just completed the ceremony of the change of commander,

74

00:04:58,786 --> 00:05:02,216

which of course is the main control person here on the station.

75

00:05:02,216 --> 00:05:05,276

They're responsible from the ground or with the ground on --

76

00:05:05,276 --> 00:05:09,266

on handling the day to day activities, and safety and emergency things.

77

00:05:09,526 --> 00:05:14,566

But we do have also the US leads [phonetic], which is the person that is kind of responsible

78

00:05:14,566 --> 00:05:17,766

of following the activity through

the non-Russian part of the station.

79

00:05:18,206 --> 00:05:21,476

And so we don't want to do a ceremony, there's no ceremony for that.

80

00:05:21,476 --> 00:05:24,976

But I would like officially to acknowledge the fact

81

00:05:25,056 --> 00:05:28,226

that Ron [phonetic] is picking up this task for me.

82

00:05:28,566 --> 00:05:33,516

All these days while talking to him, and -- and showing him the ropes,

83

00:05:34,116 --> 00:05:38,266

we used to joke and tell him Ron, don't worry.

84

00:05:38,476 --> 00:05:40,776

One day all of this will be yours.

85

00:05:41,156 --> 00:05:42,506

And Ron, the day has come.

86

00:05:42,506 --> 00:05:45,386

The day has come, and here you go.

87

00:05:45,576 --> 00:05:51,926

I would like to use a -- a kind of saying that we use in Italy in a paratrooper

88

00:05:51,926 --> 00:05:55,566

when the new recruit comes and they get a parachute for the first time.

89

00:05:55,976 --> 00:06:01,156

They are presented with this parachute
from -- from the old guys, and --

90

00:06:01,156 --> 00:06:03,336

and there is something that we say.

91

00:06:03,906 --> 00:06:07,346

So I don't have a parachute here, I
don't know what represent the station,

92

00:06:07,346 --> 00:06:09,926

so we use a hand-held mic
because we usually talk

93

00:06:09,926 --> 00:06:13,836

on the ground during the
daily planning conference.

94

00:06:13,836 --> 00:06:18,706

Go back to the camera.

95

00:06:19,366 --> 00:06:25,526

And -- and we -- so what -- what
we say is that okay, I take --

96

00:06:25,666 --> 00:06:29,006

I take this, and I -- in
Italian we say [foreign].

97

00:06:29,006 --> 00:06:29,676

>> [Foreign].

98

00:06:29,676 --> 00:06:30,656

>> Exactly.

99

00:06:31,076 --> 00:06:40,416

And this is -- I'm giving it to you like
a child, and the other person replies --

100

00:06:40,416 --> 00:06:40,706

>> [Foreign].

101

00:06:40,706 --> 00:06:41,086

>> Which is?

102

00:06:41,486 --> 00:06:45,236

>> Which is I will do my best
to cherish it and to nurture it.

103

00:06:45,276 --> 00:06:45,586

>> Alright.

104

00:06:45,746 --> 00:06:47,296

Congratulations, Ron.

105

00:06:47,936 --> 00:06:49,646

>> Do I have time to say a couple words?

106

00:06:49,916 --> 00:06:50,086

>> Yes.

107

00:06:50,546 --> 00:06:52,496

>> I just want to thank these
guys, Paolo and Katie,

108

00:06:52,586 --> 00:06:56,456

for the last I don't know how
many -- seven weeks or something?

109

00:06:56,456 --> 00:06:59,796

They've taken a lot of time to show me
the ropes, and to take a lot of time

110

00:06:59,796 --> 00:07:03,886

out of their day, which created more
work for them, to basically make sure

111

00:07:04,206 --> 00:07:06,566

that I was ready to go when this day came.

112

00:07:06,566 --> 00:07:10,686

And -- and they've done a wonderful job, and I couldn't have asked for a better tutor --

113

00:07:10,956 --> 00:07:13,246

tutorial for my time on the [inaudible].

114

00:07:13,246 --> 00:07:15,206

So thank you very much, and I'm gonna miss you guys.

115

00:07:15,706 --> 00:07:17,496

>> Gonna miss you too.

116

00:07:17,576 --> 00:07:18,166

>> Yeah.

117

00:07:18,736 --> 00:07:21,286

>> Hey guys, that was -- that was awesome.

118

00:07:21,286 --> 00:07:24,366

We're gonna lose you in about 40 seconds, but thanks for that.

119

00:07:24,366 --> 00:07:26,646

That was a really great ceremony.

120

00:07:26,646 --> 00:07:30,846

And again, Ron, congratulations, and it is now all yours.

121

00:07:31,516 --> 00:07:36,636

[Silence]
