

1  
00:00:14,470 --> 00:00:12,470  
hatches are open

2  
00:00:17,590 --> 00:00:14,480  
at

3  
00:00:19,830 --> 00:00:17,600  
7 34 p.m central time

4  
00:00:22,230 --> 00:00:19,840  
mike fossum floating in right behind

5  
00:00:24,630 --> 00:00:22,240  
sergey volkov

6  
00:00:56,150 --> 00:00:24,640  
and satoshi furukawa from the japan

7  
00:01:01,990 --> 00:00:58,869  
that the program that we planned for

8  
00:01:03,430 --> 00:01:02,000  
your mission is going to be completed

9  
00:01:05,830 --> 00:01:03,440  
and that we're

10  
00:01:09,270 --> 00:01:05,840  
going to be looking forward to meeting

11  
00:01:10,870 --> 00:01:09,280  
you on the ground as you're endowed

12  
00:01:12,950 --> 00:01:10,880  
cheering

13  
00:01:14,789 --> 00:01:12,960

officially

14

00:01:16,710 --> 00:01:14,799

i understand you're very excited right

15

00:01:18,390 --> 00:01:16,720

now and we would like to make sure you

16

00:01:20,870 --> 00:01:18,400

can hear the voices

17

00:01:24,469 --> 00:01:20,880

not just of the russian mission control

18

00:01:27,109 --> 00:01:24,479

uh center but the visitors

19

00:01:29,190 --> 00:01:27,119

that are here and some surprises as well

20

00:01:31,990 --> 00:01:29,200

i'd like to

21

00:01:34,230 --> 00:01:32,000

let william kirsten meyer greet the

22

00:01:36,710 --> 00:01:34,240

international space station crew

23

00:01:38,710 --> 00:01:36,720

hello it's uh mrs gerst it's great to

24

00:01:40,710 --> 00:01:38,720

see all you guys on orbit

25

00:01:42,870 --> 00:01:40,720

it's especially nice to see all six of

26

00:01:45,350 --> 00:01:42,880

you i think the space station needs all

27

00:01:47,510 --> 00:01:45,360

six of you to stay busy and have fun and

28

00:01:49,990 --> 00:01:47,520

you all look great and the smiles are

29

00:01:51,830 --> 00:01:50,000

just amazing so have a great expedition

30

00:01:53,670 --> 00:01:51,840

and take good care of the space station

31

00:01:55,109 --> 00:01:53,680

now i'll turn it over to mr soraki for

32

00:01:58,069 --> 00:01:55,119

some words and then we'll let you get to

33

00:02:05,270 --> 00:02:02,469

congratulations for expedition 28 crew

34

00:02:27,270 --> 00:02:05,280

i congratulate you are safe alive of the

35

00:02:27,280 --> 00:02:48,630

foreign

36

00:02:53,750 --> 00:02:50,550

this is mel

37

00:02:55,270 --> 00:02:53,760

i think congratulations from your

38

00:02:59,509 --> 00:02:55,280

hi

39

00:03:02,550 --> 00:02:59,519

your brother

40

00:03:04,149 --> 00:03:02,560

uh here in mission control moscow

41

00:03:07,509 --> 00:03:04,159

from your

42

00:03:08,710 --> 00:03:07,519

daughter from kerry jonathan emily and

43

00:03:11,350 --> 00:03:08,720

rebecca

44

00:03:13,350 --> 00:03:11,360

in mission control houston

45

00:03:15,030 --> 00:03:13,360

we're very proud of you for what you've

46

00:03:17,509 --> 00:03:15,040

accomplished in

47

00:03:19,990 --> 00:03:17,519

your training for

48

00:03:22,790 --> 00:03:20,000

getting to where you are right now

49

00:03:25,030 --> 00:03:22,800

we're very uh excited about what you

50

00:03:26,470 --> 00:03:25,040

will accomplish with your crew

51

00:03:29,589 --> 00:03:26,480

we're very

52

00:03:31,830 --> 00:03:29,599

eager to have you back with uh

53

00:03:33,190 --> 00:03:31,840

just to share in which in all that

54

00:03:35,270 --> 00:03:33,200

you've been through

55

00:03:38,149 --> 00:03:35,280

in this great mission

56

00:03:43,589 --> 00:03:38,159

uh go with our blessing and god's

57

00:03:47,750 --> 00:03:45,910

love you hun you guys have the hard job

58

00:03:50,229 --> 00:03:47,760

standing down the sidelines and watching

59

00:04:13,030 --> 00:03:50,239

us take off and do this so thank you

60

00:04:17,189 --> 00:04:15,910

it's your favorite son john here um

61

00:04:19,270 --> 00:04:17,199

i'm just i'm really happy to see you

62

00:04:21,189 --> 00:04:19,280

guys all there safe and all smiles it's

63

00:04:22,390 --> 00:04:21,199

really cool to see your face

64

00:04:23,830 --> 00:04:22,400

and um

65

00:04:25,830 --> 00:04:23,840

if i ever decide to go back to the

66

00:04:27,189 --> 00:04:25,840

states after this i'll be seeing you

67

00:04:30,230 --> 00:04:27,199

there so

68

00:04:32,790 --> 00:04:31,030

hey

69

00:04:53,110 --> 00:04:32,800

john you have a good time in moscow but

70

00:04:53,120 --> 00:05:10,629

foreign

71

00:05:14,629 --> 00:05:12,950

hey dad it's uh mitch

72

00:05:16,629 --> 00:05:14,639

you guys had a fantastic launch the

73

00:05:18,870 --> 00:05:16,639

other day and i'm sure you had a great

74

00:05:20,710 --> 00:05:18,880

last couple days i was pretty bright

75

00:05:23,189 --> 00:05:20,720

against the dark night sky i think i

76

00:05:24,790 --> 00:05:23,199

might still have my pq but that

77

00:05:27,110 --> 00:05:24,800

brightness is still burned into my

78

00:05:28,870 --> 00:05:27,120

cornea but i hope you enjoy your stay

79

00:05:30,070 --> 00:05:28,880

along the space station it's good to see

80

00:05:33,029 --> 00:05:30,080

that you and ron had a good little

81

00:05:38,550 --> 00:05:33,039

homecoming there and a reunion uh 220

82

00:05:43,990 --> 00:05:40,390

thanks mitch this is a one heck of a

83

00:05:47,590 --> 00:05:46,390

hey dad it's kenny that's a fantastic

84

00:05:50,390 --> 00:05:47,600

launch

85

00:05:52,950 --> 00:05:50,400

and the six months up there will pass in

86

00:05:55,590 --> 00:05:52,960

no time and

87

00:05:59,670 --> 00:05:55,600

i hope you have fun

88

00:06:02,710 --> 00:06:01,510

hey thanks kenny great talking to the

89

00:06:04,629 --> 00:06:02,720

son and

90

00:06:07,990 --> 00:06:04,639

it will go by fast and look forward to

91

00:06:11,909 --> 00:06:09,990

hey brother it's uh it's your brother

92

00:06:13,270 --> 00:06:11,919

terry i just want to let you know we're

93

00:06:15,510 --> 00:06:13,280

proud of you

94

00:06:17,350 --> 00:06:15,520

and you let people from a common black

95

00:06:19,830 --> 00:06:17,360

background from around the world know

96

00:06:23,990 --> 00:06:19,840

that they can accomplish uncommon dreams

97

00:07:07,670 --> 00:06:26,390

love you bro glad you come along on the

98

00:07:07,680 --> 00:07:13,510

well i've got the phone again

99

00:07:18,870 --> 00:07:16,070

i hope that it's a great hope that it's

100

00:07:21,189 --> 00:07:18,880

a great reunion with uh your friends

101

00:07:24,469 --> 00:07:21,199

that were already up there

102

00:07:30,790 --> 00:07:27,029

and just know that that our prayers and

103

00:07:33,189 --> 00:07:30,800

our uh our good wishes are with you from

104

00:07:38,790 --> 00:07:33,199

here until you come back safely in

105

00:07:43,510 --> 00:07:40,790

thanks son yeah it's great seeing these

106

00:07:53,189 --> 00:07:43,520

guys up here ronnie and the boys like we

107

00:07:57,270 --> 00:07:55,670

dear friends the dear sergey voka would

108

00:07:59,830 --> 00:07:57,280

like to talk to you because you heard a

109

00:08:02,790 --> 00:07:59,840

lot of words from the

110

00:08:04,070 --> 00:08:02,800

family members of other people

111

00:08:06,309 --> 00:08:04,080

would like to say that during your

112

00:08:08,790 --> 00:08:06,319

document we had your

113

00:08:14,950 --> 00:08:08,800

father your son always your family

114

00:08:19,350 --> 00:08:16,710

because i don't even know if it's too

115

00:08:20,469 --> 00:08:19,360

early or too late at night here in

116

00:08:22,869 --> 00:08:20,479

moscow

117

00:08:24,869 --> 00:08:22,879

and we're worrying uh for you that we're

118

00:08:38,870 --> 00:08:24,879

all so glad

119

00:08:43,190 --> 00:08:40,389

i should remember that the mission

120

00:08:44,790 --> 00:08:43,200

control center is always

121

00:08:47,110 --> 00:08:44,800

thinking of you we will never leave you

122

00:08:49,269 --> 00:08:47,120

without support and uh looking at your

123

00:08:51,030 --> 00:08:49,279

smiling faces we can

124

00:08:58,389 --> 00:08:51,040

tell that you're in good mood we're

125

00:09:01,910 --> 00:09:00,630

you can always rely on people on the

126

00:09:03,829 --> 00:09:01,920

ground looking forward to seeing you

127

00:09:06,230 --> 00:09:03,839

again and

128

00:09:09,590 --> 00:09:06,240

we're going to have a lot of work ahead

129

00:09:11,269 --> 00:09:09,600

of us and a lot of uh

130

00:09:13,910 --> 00:09:11,279

meetings back on the ground when you

131

00:09:18,630 --> 00:09:13,920

come back oh the very best again

132

00:09:18,640 --> 00:09:35,269

and successfully return to the ground

133

00:09:40,630 --> 00:09:37,269

conferences are completed you can

134

00:09:42,550 --> 00:09:40,640

disassemble the um the proposal

135

00:09:44,150 --> 00:09:42,560

and welcome aboard

136

00:09:46,870 --> 00:09:44,160

okay
