

PAO

1
00:00:04,470 --> 00:00:02,710
this is mission control houston out of

2
00:00:05,910 --> 00:00:04,480
all the traditions in history inside the

3
00:00:08,070 --> 00:00:05,920
space shuttle flight control room one of

4
00:00:10,310 --> 00:00:08,080
the more important ones to the team here

5
00:00:12,070 --> 00:00:10,320
are these roses that arrive during every

6
00:00:14,390 --> 00:00:12,080
single mission the shelton family up

7
00:00:15,910 --> 00:00:14,400
near the dallas fort worth metroplex has

8
00:00:18,070 --> 00:00:15,920
sent these roses to the team here in

9
00:00:20,870 --> 00:00:18,080
mission control uh during every single

10
00:00:22,310 --> 00:00:20,880
flight since sts-26 which was back in

11
00:00:25,029 --> 00:00:22,320
1988

12
00:00:27,029 --> 00:00:25,039
so for 110 missions these roses have

13
00:00:28,150 --> 00:00:27,039

been a part of the team here it is

14

00:00:30,870 --> 00:00:28,160

something that they look forward to

15

00:00:31,910 --> 00:00:30,880

every single time it would not be a

16

00:00:33,350 --> 00:00:31,920

space shuttle mission without these

17

00:00:34,870 --> 00:00:33,360

roses arriving

18

00:00:36,790 --> 00:00:34,880

we were surprised a bit yesterday

19

00:00:38,709 --> 00:00:36,800

whenever they arrived on launch day that

20

00:00:40,630 --> 00:00:38,719

is the first time that that has ever

21

00:00:42,549 --> 00:00:40,640

happened but the family the sheltons

22

00:00:45,029 --> 00:00:42,559

they sent us a very nice note we're

23

00:00:46,389 --> 00:00:45,039

going to read it to you now

24

00:00:49,430 --> 00:00:46,399

the note says to our good friends at

25

00:00:52,069 --> 00:00:49,440

mission control and the crews of sts-135

26
00:00:54,150 --> 00:00:52,079
and expedition 28. what a warm sight

27
00:00:56,470 --> 00:00:54,160
atlantis the first orbiter seen in

28
00:00:57,990 --> 00:00:56,480
person by the sheltons during a surprise

29
00:00:59,590 --> 00:00:58,000
visit to the dallas-fort worth

30
00:01:01,590 --> 00:00:59,600
international airport

31
00:01:05,270 --> 00:01:01,600
every second of this mission is exciting

32
00:01:07,190 --> 00:01:05,280
thrilling sad and poignant

33
00:01:10,070 --> 00:01:07,200
the handprints and heart prints of so

34
00:01:11,590 --> 00:01:10,080
many touch every surface every moment

35
00:01:13,510 --> 00:01:11,600
thank you all for sharing it all the

36
00:01:15,910 --> 00:01:13,520
glory and unspeakable pain with a

37
00:01:19,190 --> 00:01:15,920
grateful nation a grateful planet god

38
00:01:20,469 --> 00:01:19,200

speed god speed god speed the sheltons

39

00:01:21,990 --> 00:01:20,479

and the murphys

40

00:01:23,429 --> 00:01:22,000

on behalf of mission control and the

41

00:01:24,710 --> 00:01:23,439

entire team here in houston and the

42

00:01:26,310 --> 00:01:24,720

entire space shuttle program we want to

43

00:01:28,310 --> 00:01:26,320

thank those families for supporting us

44

00:01:30,630 --> 00:01:28,320

all these years we look forward to this
