

1
00:00:02,880 --> 00:00:07,660

Aboard the International Space Station, external cameras captured video of Hurricane Katia

2
00:00:07,660 --> 00:00:12,960

as it moved northwest across the western Atlantic north of Puerto Rico.

3
00:00:12,960 --> 00:00:18,510

This occurred at 10:35 a.m. Eastern Time earlier today.

4
00:00:18,510 --> 00:00:24,480

Katia has strengthened into a major Category 3 hurricane packing winds of 125 miles an hour
