Ron Garan: At the end of our five and a half month mission it was really a bittersweet moment

2
00:00:30,270 --> 00:00:32,260

as we say goodbye to our friends,
we say good bye to our home the ISS.

3
00:00:32,260 --> 00:00:37,290

But we were very eager to return back
to our beautiful Earth and we were going

4
00:00:37,290 --> 00:00:42,690

to savor the last moments in space, and
savor that as we did a couple of laps
