[ Music ]

2  
00:00:00,073 --> 00:00:05,576  
>> From the Kennedy  
Space Center in Florida

3  
00:00:05,576 --> 00:00:07,876  
at T minus three  
hours and holding.

4  
00:00:08,166 --> 00:00:11,976  
And we're now in the final  
five hours of the countdown.

5  
00:00:12,516 --> 00:00:19,546  
[ Music ]

6  
00:00:20,046 --> 00:00:23,736  
Crew going down the  
elevator that's been used

7  
00:00:23,736 --> 00:00:30,286  
by the astronauts  
ever since Apollo.

8  
00:00:30,286 --> 00:00:30,353  
[ Music ]

9  
00:00:30,353 --> 00:00:31,806  
>> It is great to  
be in Florida today

10  
00:00:31,936 --> 00:00:33,266  
and the rocket is  
ready to go fly.

11  
00:00:33,726 --> 00:00:35,156  
The team is ready to go fly.

12

00:00:35,156 --> 00:00:35,286

[ Music ]

13

00:00:35,286 --> 00:00:39,426

>> The new mission is quite a bit different

14

00:00:39,426 --> 00:00:40,396

than the shuttle mission.

15

00:00:40,396 --> 00:00:45,196

The next mission is to go beyond low-Earth orbit.

16

00:00:45,196 --> 00:00:45,263

[ Music ]

17

00:00:45,263 --> 00:00:47,856

>> We're at T minus two hours, 38 minutes, six seconds

18

00:00:47,916 --> 00:00:50,376

and counting as the crew approaches the launch pad.

19

00:00:52,516 --> 00:01:10,026

[ Music ]

20

00:01:10,526 --> 00:01:13,116

>> Patience not only for expanded knowledge

21

00:01:13,116 --> 00:01:15,746

of the universe but for the improvements you have

22

00:01:15,976 --> 00:01:16,846

contributed to on Earth.

23

00:01:17,456 --> 00:01:19,156

Have an excellent  
mission and Godspeed.

24

00:01:19,156 --> 00:01:19,996

[ Music ]

25

00:01:19,996 --> 00:01:21,756

>> Crew ingress in  
work at this time.

26

00:01:22,616 --> 00:01:22,936

>> Good luck.

27

00:01:22,936 --> 00:01:24,806

[ Music ]

28

00:01:24,806 --> 00:01:26,446

>> Flight crew OCC, close

29

00:01:26,446 --> 00:01:28,706

and mark your visors  
and initiate OC flow.

30

00:01:28,706 --> 00:01:28,773

[ Music ]

31

00:01:28,773 --> 00:01:37,386

>> T minus 10, 9, 8, 7, 6...

32

00:01:37,386 --> 00:01:37,536

[ Engines firing ]

33

00:01:37,536 --> 00:01:42,226

>> All engines up and burning.
