Hi! I'm NASA astronaut
Sunni Williams,

2
00:00:03,880 --> 00:00:05,410
a graduate of Needham
High School

3
00:00:05,410 --> 00:00:06,950
in Needham, Massachusetts.

4
00:00:06,950 --> 00:00:09,860
Back in high school I didn't
know I'd become an astronaut,

5
00:00:09,860 --> 00:00:12,230
but now I know it
wouldn't have been possible

6
00:00:12,230 --> 00:00:14,180
without solid skills in science,

7
00:00:14,180 --> 00:00:16,580
technology, engineering
and math.

8
00:00:16,580 --> 00:00:17,530
Take it from me.

9
00:00:17,530 --> 00:00:20,270
Education is your ticket
to an incredible future,
