

1
00:00:04,230 --> 00:00:02,710
we have uh

2
00:00:06,150 --> 00:00:04,240
sally's sister and some of the family

3
00:00:07,510 --> 00:00:06,160
members if they have any words we'll put

4
00:00:09,110 --> 00:00:07,520
them on the horn right here for real

5
00:00:10,470 --> 00:00:09,120
quick

6
00:00:13,509 --> 00:00:10,480
yeah and i have a couple words first and

7
00:00:15,669 --> 00:00:13,519
foremost to say hey uh you know today's

8
00:00:16,870 --> 00:00:15,679
a special day a good remembrance of

9
00:00:19,189 --> 00:00:16,880
sally who

10
00:00:21,189 --> 00:00:19,199
paved the way for so many of us

11
00:00:23,029 --> 00:00:21,199
i don't think i would be here

12
00:00:30,710 --> 00:00:23,039
without her having done the things she

13
00:00:33,990 --> 00:00:32,150

press the button

14

00:00:35,830 --> 00:00:34,000

that's really nice of you to say it

15

00:00:37,830 --> 00:00:35,840

looks like you're having as much fun as

16

00:00:42,549 --> 00:00:37,840

sally had from what i

17

00:00:45,110 --> 00:00:43,350

i'm

18

00:00:47,190 --> 00:00:45,120

sure they were wonderful she was a

19

00:00:48,389 --> 00:00:47,200

wonderful personality unfortunately i

20

00:00:49,830 --> 00:00:48,399

only had the

21

00:00:51,990 --> 00:00:49,840

opportunity to meet her sort of from a

22

00:00:55,590 --> 00:00:52,000

distance watching her talk to a bunch of

23

00:00:57,670 --> 00:00:55,600

kids a very dynamic amazing personality

24

00:00:58,470 --> 00:00:57,680

that got so many of us in the program

25

00:01:00,389 --> 00:00:58,480

today

26

00:01:02,630 --> 00:01:00,399

and like i said i wouldn't be up here

27

00:01:04,229 --> 00:01:02,640

for a second time in space me and aki

28

00:01:06,390 --> 00:01:04,239

enjoying this wonderful space station

29

00:01:09,750 --> 00:01:06,400

without people you know like her and her

30

00:01:12,070 --> 00:01:09,760

specifically you know inspiring us to uh

31

00:01:13,830 --> 00:01:12,080

to take on this type of a profession and

32

00:01:16,230 --> 00:01:13,840

particularly at the time when you know

33

00:01:17,990 --> 00:01:16,240

there wasn't very many women out there

34

00:01:20,230 --> 00:01:18,000

doing this type of stuff

35

00:01:23,109 --> 00:01:20,240

she really made the made us think that

36

00:01:25,830 --> 00:01:23,119

we can do anything we want to do

37

00:01:28,149 --> 00:01:25,840

thank you so much for saying that and um

38

00:01:29,990 --> 00:01:28,159

you know i've got my kids here and

39

00:01:31,109 --> 00:01:30,000

and

40

00:01:33,270 --> 00:01:31,119

hello

41

00:01:34,950 --> 00:01:33,280

and they they really appreciate these

42

00:01:36,550 --> 00:01:34,960

stories that they've heard in the last

43

00:01:39,190 --> 00:01:36,560

day or two about

44

00:01:40,789 --> 00:01:39,200

about sally and we appreciate it and we

45

00:01:41,670 --> 00:01:40,799

have a little we have a little something

46

00:01:43,670 --> 00:01:41,680

for you

47

00:01:47,270 --> 00:01:43,680

hang on okay everybody

48

00:02:01,990 --> 00:01:47,280

happy birthday to you

49

00:02:05,030 --> 00:02:03,350

that's awesome and you guys aren't

50

00:02:06,950 --> 00:02:05,040

supposed to know that nobody's supposed

51
00:02:09,430 --> 00:02:06,960
to know that i i thought when we came to

52
00:02:11,510 --> 00:02:09,440
space we reversed aging and so we didn't

53
00:02:13,190 --> 00:02:11,520
really have birth that we were getting

54
00:02:17,990 --> 00:02:13,200
younger isn't that the case i think

55
00:02:18,000 --> 00:02:22,229
i think that means she's 20.

56
00:02:27,510 --> 00:02:23,910
oh that means i can't have a beer when i

57
00:02:32,790 --> 00:02:29,430
hey sonny we missed you we missed you

58
00:02:36,229 --> 00:02:34,470
yeah i heard

59
00:02:37,670 --> 00:02:36,239
anna thank you very much for the invite

60
00:02:40,070 --> 00:02:37,680
and i wish i could be there i guess

61
00:02:42,150 --> 00:02:40,080
being in space is the only good excuse

62
00:02:43,830 --> 00:02:42,160
um because i know all of you guys

63
00:02:47,190 --> 00:02:43,840

getting together sharing such great

64

00:02:49,509 --> 00:02:47,200

stories i bet there were a ton of laughs

65

00:02:51,270 --> 00:02:49,519

a lot of laughs on the hoots and hollers

66

00:02:53,190 --> 00:02:51,280

um thinking about

67

00:02:55,750 --> 00:02:53,200

all of all of us in the past who have

68

00:02:57,990 --> 00:02:55,760

been up here with big hair uh showing it

69

00:03:00,390 --> 00:02:58,000

off to the rest of the world so i hope

70

00:03:02,149 --> 00:03:00,400

you guys had a wonderful time last night

71

00:03:03,830 --> 00:03:02,159

we did we missed you but uh we'll do it

72

00:03:08,229 --> 00:03:03,840

again another time and i've got a little

73

00:03:12,869 --> 00:03:10,550

absolutely and thanks so much for

74

00:03:14,550 --> 00:03:12,879

stopping by it really means a lot for us

75

00:03:17,190 --> 00:03:14,560

to have friends and family come by and

76

00:03:19,509 --> 00:03:17,200

say hi um you know it's a work day up

77

00:03:21,750 --> 00:03:19,519

here but it's uh it's a fun work day i

78

00:03:23,910 --> 00:03:21,760

won't deny that but it's really cool

79

00:03:25,910 --> 00:03:23,920

when we can connect back with folks on
