

1
00:00:00,500 --> 00:00:19,590
[Inaudible]

2
00:00:19,590 --> 00:00:24,630
>> Looking forward
to seeing you.

3
00:00:24,630 --> 00:00:26,510
Hi. Hi.

4
00:00:26,510 --> 00:01:54,010
[Background noise]

5
00:01:54,010 --> 00:01:54,860
[Inaudible]

6
00:01:54,860 --> 00:01:58,710
>> Families please move back.

7
00:02:00,510 --> 00:02:31,380
[Background noise]

8
00:02:31,380 --> 00:02:33,710
>> [inaudible] what's
the impressions?

9
00:02:33,710 --> 00:02:34,710
What do you think?

10
00:02:34,710 --> 00:02:36,020
What do you think
about the launch?

11
00:02:36,020 --> 00:02:37,350
We're fully ready.

12
00:02:37,350 --> 00:02:38,520
We're happy.

13

00:02:38,520 --> 00:02:41,240

We are glad to go.

14

00:02:41,240 --> 00:02:43,640

Please look at the cameras.

15

00:02:43,640 --> 00:02:46,130

What camera?

16

00:02:46,130 --> 00:02:51,830

Where is the [inaudible] the
person who asked the question?

17

00:02:51,830 --> 00:02:53,970

Oh, like how many
experiments are planned?

18

00:02:53,970 --> 00:02:55,350

What are the most
interesting for you?

19

00:02:55,350 --> 00:02:57,740

What are you expecting
from them?

20

00:02:57,740 --> 00:03:02,470

All of them are important for
us, around 50 are planned.

21

00:03:02,470 --> 00:03:05,860

So we would really like
to fulfill all of them

22

00:03:05,860 --> 00:03:07,150

so [inaudible] are happy.

23

00:03:07,150 --> 00:03:11,030

Personally for you, what

would you like to try to do?

24

00:03:11,030 --> 00:03:12,910

I was going to try everything,

25

00:03:12,910 --> 00:03:17,090

then I'll determine

myself and I'll tell you.

26

00:03:17,090 --> 00:03:22,410

Are you going to write a blog

or to take pictures or what?

27

00:03:22,410 --> 00:03:26,190

We'll try to write a blog

if we have a possibility,

28

00:03:26,190 --> 00:03:30,130

probably we'll be sending

down link and as many photos

29

00:03:30,130 --> 00:03:36,180

as possible, videos for the

family and friends, colleagues.

30

00:03:36,180 --> 00:03:39,650

[inaudible] to meet

New Years in orbit,

31

00:03:39,650 --> 00:03:43,970

how going to a greater family,

how going to talk to them?

32

00:03:43,970 --> 00:03:46,690

Well, we'll try to

maintain communication

33

00:03:46,690 --> 00:03:47,710

as much as possible.

34

00:03:47,710 --> 00:03:50,780

I don't think we're
bored and it's great

35

00:03:50,780 --> 00:03:53,800

to have New Years in space.

36

00:03:53,800 --> 00:03:54,240

[inaudible] hearts.

37

00:03:54,240 --> 00:03:59,560

Oleg, do you have
that [inaudible]

38

00:03:59,560 --> 00:04:03,370

as you're just about
to go to space?

39

00:04:03,370 --> 00:04:08,420

If not, then when do you
expect this feeling to show up?

40

00:04:08,420 --> 00:04:11,260

I think [inaudible] is there
once you have become a part

41

00:04:11,260 --> 00:04:12,160

of the [inaudible] core,

42

00:04:12,160 --> 00:04:19,410

just need to make a few final
steps onto the launch pad.

43

00:04:19,410 --> 00:04:24,180

How often that you will be
able to talk to families?

44

00:04:24,180 --> 00:04:26,280

Are there any restrictions?

45

00:04:26,280 --> 00:04:31,670

I would like to ask
the commander.

46

00:04:31,670 --> 00:04:31,740

[Foreign language]

47

00:04:31,740 --> 00:04:36,010

There is no mediator.

48

00:04:36,010 --> 00:04:39,950

We have good friends and our
friends are always there for us.

49

00:04:39,950 --> 00:04:42,930

>> For NASA TV for Kevin, you're
leaving today from Star City,

50

00:04:42,930 --> 00:04:45,700

Russia for two weeks
for Baikonur Kazakhstan,

51

00:04:45,700 --> 00:04:47,710

how are you going to be spending
your remaining two weeks

52

00:04:47,710 --> 00:04:49,480

down there prior to launch?

53

00:04:49,480 --> 00:04:51,250

>> Well, the reason
we're leaving today is

54

00:04:51,250 --> 00:04:53,460

so that we can get down there
for our fit check tomorrow,

55

00:04:53,460 --> 00:04:54,640

our first series of fit checks.

56

00:04:54,640 --> 00:04:57,760

That will be the first time
we see the real spacecraft

57

00:04:57,760 --> 00:05:00,910

in Baikonur so we'll climb
in tomorrow in flight suits,

58

00:05:00,910 --> 00:05:04,130

have a chance to spend some
time looking over the spacecraft

59

00:05:04,130 --> 00:05:06,030

in shirtsleeves, if you
will, and then we'll put

60

00:05:06,030 --> 00:05:08,790

on our spacesuits in the
afternoon and we'll strap

61

00:05:08,790 --> 00:05:10,750

in just like we would
for the launch.

62

00:05:10,750 --> 00:05:13,480

And we'll be able to look over
the exterior of the spacecraft.

63

00:05:13,480 --> 00:05:15,740

We'll do one more fit check like
that just a little bit later

64

00:05:15,740 --> 00:05:19,580

but by then, the spacecraft
will be underneath the shroud,

65

00:05:19,580 --> 00:05:21,430

ready to put on the

rocket so we won't be able

66

00:05:21,430 --> 00:05:22,990

to see the outside
of the spacecraft.

67

00:05:22,990 --> 00:05:24,390

And that will be
after final loading

68

00:05:24,390 --> 00:05:25,570

and everything is done as well.

69

00:05:25,570 --> 00:05:27,620

So we'll be able to see how
everything is going to look

70

00:05:27,620 --> 00:05:29,790

when we crawl in for launch day.

71

00:05:29,790 --> 00:05:32,240

There's also a period of
quarantine so we're just kind

72

00:05:32,240 --> 00:05:35,320

of having some rest
and relaxation

73

00:05:35,320 --> 00:05:38,440

but also we'll study every day
with our instructors that come

74

00:05:38,440 --> 00:05:41,900

down with us and be fully, as
fully prepared as we can be

75

00:05:41,900 --> 00:05:46,030

when launch day comes, relaxed,
prepared, current and all ready

76

00:05:46,030 --> 00:05:48,860

to go, that's what we'll do.

77

00:05:50,280 --> 00:05:50,770

Thank you.

78

00:05:50,770 --> 00:05:51,680

>> [inaudible] in

Russian, please?

79

00:05:51,680 --> 00:05:58,730

Do you have any kind of fear
that it's your first time?

80

00:05:58,730 --> 00:05:59,120

[Foreign language]

81

00:05:59,120 --> 00:06:02,840

>> No, no fear 'cause
we've learned everything.

82

00:06:02,840 --> 00:06:04,230

We know it's reliable.

83

00:06:04,230 --> 00:06:08,740

There [inaudible] some
anxiety but not fear.

84

00:06:08,740 --> 00:06:10,660

They're fully ready.

85

00:06:10,660 --> 00:06:16,090

Are there differences between
the [inaudible] the backup crew

86

00:06:16,090 --> 00:06:16,760

and a [inaudible].

87

00:06:16,760 --> 00:06:18,600
Of course.

88
00:06:18,600 --> 00:06:20,920
We were backups [inaudible]
back home

89
00:06:20,920 --> 00:06:22,650
and this time we're
going to fly.

90
00:06:22,650 --> 00:06:26,230
But there probably
was a possibility?

91
00:06:26,230 --> 00:06:28,020
No, not really.

92
00:06:28,020 --> 00:06:36,310
This time we're going to
fly, that time we went back.

93
00:06:36,310 --> 00:06:38,510
Thank you very much.

94
00:06:38,510 --> 00:07:04,720
[Background noise]

95
00:07:04,720 --> 00:07:06,510
Don't rush.

96
00:07:06,510 --> 00:07:12,150
[Foreign language]

97
00:07:12,150 --> 00:07:14,260
Don't let Tarelkins down.
