

United States

1
00:00:22,230 --> 00:00:19,910
today we find ourselves in the harshest

2
00:00:24,870 --> 00:00:22,240
of climates the hot humid summers of

3
00:00:29,990 --> 00:00:24,880
houston texas at the nasa johnson space

4
00:00:34,630 --> 00:00:32,630
hello and welcome to the first episode

5
00:00:37,350 --> 00:00:34,640
of nasa safari

6
00:00:40,389 --> 00:00:37,360
we're here at the nasa johnson space

7
00:00:43,990 --> 00:00:40,399
center the nerve center of manned space

8
00:00:48,150 --> 00:00:45,830
the inhabitants of this magnificent

9
00:00:50,310 --> 00:00:48,160
place are a wonder of their own some of

10
00:00:52,069 --> 00:00:50,320
the most intelligent species on earth

11
00:00:53,830 --> 00:00:52,079
nasa employees take on the most

12
00:00:55,990 --> 00:00:53,840
difficult challenges for the good of the

13
00:00:57,750 --> 00:00:56,000

human race creating and discovering

14

00:01:02,150 --> 00:00:57,760

things that have never been seen or

15

00:01:06,390 --> 00:01:04,390

in this series we will observe these

16

00:01:08,630 --> 00:01:06,400

amazing creatures in their natural

17

00:01:10,149 --> 00:01:08,640

habitats and observe some of their great

18

00:01:12,870 --> 00:01:10,159

work

19

00:01:14,469 --> 00:01:12,880

join us next time as we discover long
