

1
00:00:00,500 --> 00:00:23,040
[Silence]

2
00:00:23,040 --> 00:00:24,420
>> With hatches open,
Oleg Novitskiy,

3
00:00:24,420 --> 00:00:27,420
the Soviet Commander first to
float in to the voice module

4
00:00:27,420 --> 00:00:28,820
of the International
Space Station,

5
00:00:28,820 --> 00:00:31,510
greeted by his colleague
Yuri Malenchenko.

6
00:00:31,510 --> 00:00:36,040
[Silence]

7
00:00:36,040 --> 00:00:39,190
>> Followed by Flight
Engineer Evgeny Tarelkin.

8
00:00:39,190 --> 00:00:42,510
Kevin Ford about to enter the
International Space Station.

9
00:00:42,510 --> 00:00:47,050
[Silence]

10
00:00:47,050 --> 00:00:48,300
>> NASA Flight Engineer
Kevin Ford.

11
00:00:48,300 --> 00:00:50,510
All six crew members

are together.

12

00:00:50,510 --> 00:01:32,010

[Silence]

13

00:01:32,010 --> 00:01:33,550

[Speaking Foreign Language]

14

00:01:33,550 --> 00:01:34,010

>> Hello.

15

00:01:34,010 --> 00:01:35,070

[Speaking Foreign Language]

16

00:01:35,070 --> 00:01:36,510

>> Good afternoon.

17

00:01:36,510 --> 00:01:40,040

[Speaking Foreign Language]

18

00:01:40,040 --> 00:01:40,450

>> Go ahead.

19

00:01:40,450 --> 00:01:43,140

Yeah. This is [inaudible].

20

00:01:43,140 --> 00:01:47,490

On behalf of [inaudible], I
wanted to congratulate you

21

00:01:47,490 --> 00:01:49,410

on the successful docking.

22

00:01:49,410 --> 00:01:53,810

And I'll hand it over
to Mr. Gerstenmaier

23

00:01:53,810 --> 00:01:56,620

for some additional words.

24

00:01:56,620 --> 00:01:57,750

Thank you so much.

25

00:01:57,750 --> 00:02:01,100

>> Evgeny, Suni, Aki, Kevin,

26

00:02:01,100 --> 00:02:03,750

It's great to see

you all on orbit.

27

00:02:03,750 --> 00:02:08,860

Enjoy your time on Space Station

and have a great expedition.

28

00:02:08,860 --> 00:02:09,750

You are well-trained.

29

00:02:09,750 --> 00:02:11,080

You'll have fun.

30

00:02:11,080 --> 00:02:13,420

It is so great to see

all six of you on orbit

31

00:02:13,420 --> 00:02:15,160

and to see your smiling faces.

32

00:02:15,160 --> 00:02:16,550

On behalf of NASA, we thank you.

33

00:02:16,550 --> 00:02:17,940

The ground team is

here to support you.

34

00:02:17,940 --> 00:02:19,510

You'll have a great expedition.

35

00:02:19,510 --> 00:02:23,100

[Silence]

36

00:02:23,100 --> 00:02:24,470

>> Thank you so much.

37

00:02:24,470 --> 00:02:25,330

>> Thank you.

38

00:02:25,330 --> 00:02:25,980

>> Thank you very much.

39

00:02:25,980 --> 00:02:30,780

It was a great flight up there.

40

00:02:30,780 --> 00:02:35,670

>> [foreign language] Dear
Friends, Mission Control Center

41

00:02:35,670 --> 00:02:40,080

in Moscow region, which is
located in a place very dear

42

00:02:40,080 --> 00:02:46,160

to our hearts, sends their
greetings to everybody

43

00:02:46,160 --> 00:02:48,840

on board the International
Space Station.

44

00:02:48,840 --> 00:02:56,630

I think that if the expression
on your faces is any indication,

45

00:02:56,630 --> 00:02:59,300

we can trust that
everything you set

46

00:02:59,300 --> 00:03:03,530

out to do will be
done successfully.

47

00:03:03,530 --> 00:03:08,720

We wish you to realize
all your dreams.

48

00:03:08,720 --> 00:03:12,170

We'll be here to support
if you have any questions,

49

00:03:12,170 --> 00:03:14,890

any at all at any
time, day or night.

50

00:03:14,890 --> 00:03:18,570

And we will await
anxiously your return

51

00:03:18,570 --> 00:03:21,320

so we can welcome you back.

52

00:03:21,320 --> 00:03:26,030

I'll hand it over to some
friends and family members

53

00:03:26,030 --> 00:03:27,290

for some additional words

54

00:03:27,290 --> 00:03:32,290

so that your spirits may
be lifted even higher.

55

00:03:32,290 --> 00:03:34,290

Thank you so much.

56

00:03:34,290 --> 00:03:37,510

Oleg, hello my favorite wife.

57

00:03:37,510 --> 00:03:42,080
[Speaking Foreign Language]

58

00:03:42,080 --> 00:03:45,380
>> Based on your smiley faces
that we see, that you're happy

59

00:03:45,380 --> 00:03:48,880
and everything is dandy.

60

00:03:48,880 --> 00:03:51,670
Are you liking your new home?

61

00:03:51,670 --> 00:03:53,320
>> Most definitely.

62

00:03:53,320 --> 00:03:56,380
It's more spacious and
much more comfortable

63

00:03:56,380 --> 00:03:59,510
than the little tiny home
that brought us here.

64

00:03:59,510 --> 00:04:03,040
[Speaking Foreign Language]

65

00:04:03,040 --> 00:04:04,910
>> Hello, my dear son.

66

00:04:04,910 --> 00:04:06,050
Hello, guys.

67

00:04:06,050 --> 00:04:07,120
>> Hi mom.

68

00:04:07,120 --> 00:04:11,110

Do not cry.

69

00:04:11,110 --> 00:04:12,920

See how happy we are.

70

00:04:12,920 --> 00:04:15,020

You should be happy
just like us.

71

00:04:15,020 --> 00:04:18,220

>> I don't mean to cry.

72

00:04:18,220 --> 00:04:24,960

But congratulations
on your achievements

73

00:04:24,960 --> 00:04:31,090

of two most important tasks,
launch and successful docking.

74

00:04:31,090 --> 00:04:34,300

We hope you enjoy your stay
on board the Space Station,

75

00:04:34,300 --> 00:04:36,810

and we can't wait
for your return.

76

00:04:36,810 --> 00:04:37,880

Thank you.

77

00:04:37,880 --> 00:04:39,430

Thank you so much.

78

00:04:39,430 --> 00:04:41,510

Greetings, and regards
to everybody we know.

79

00:04:41,510 --> 00:04:45,040

[Speaking Foreign Language]

80

00:04:45,040 --> 00:04:50,720

>> I see you're in a
good mood, great spirits.

81

00:04:50,720 --> 00:04:55,610

>> We are very excited
to be here.

82

00:04:55,610 --> 00:04:56,800

>> Godspeed.

83

00:04:56,800 --> 00:05:01,010

We are with you in spirits.

84

00:05:01,010 --> 00:05:02,090

>> Thank you, mama.

85

00:05:02,090 --> 00:05:05,940

Thank you very much.

86

00:05:05,940 --> 00:05:07,510

>> Hello, dad.

87

00:05:07,510 --> 00:05:12,470

[Speaking Foreign Language]

88

00:05:12,470 --> 00:05:15,700

>> Hello, Yana [phonetic].

89

00:05:15,700 --> 00:05:18,600

>> What's happening?

90

00:05:18,600 --> 00:05:20,710

>> It's happening.

91

00:05:20,710 --> 00:05:25,660

So are your faces -- are
our faces still looking

92

00:05:25,660 --> 00:05:28,240
like the faces of your father's?

93

00:05:28,240 --> 00:05:32,360
>> Well, they're a little more
plump than we are used to,

94

00:05:32,360 --> 00:05:37,540
but we can recognize you still.

95

00:05:37,540 --> 00:05:40,100
>> It looks funny is all.

96

00:05:40,100 --> 00:05:43,230
>> That's okay.

97

00:05:43,230 --> 00:05:47,840
My goal is to lose a few
pounds while I'm up here.

98

00:05:47,840 --> 00:05:50,900
>> So how was your
ride over there?

99

00:05:50,900 --> 00:05:53,490
>> Well, I have to admit,

100

00:05:53,490 --> 00:05:56,540
it was a little bit
difficult the first day

101

00:05:56,540 --> 00:05:58,710
but then it got better
and easier.

102

00:05:58,710 --> 00:06:08,030

>> It was tolerable, but we can totally see the G difference.

103

00:06:08,030 --> 00:06:11,070

>> How are the fish doing?

104

00:06:11,070 --> 00:06:12,440

Still alive?

105

00:06:12,440 --> 00:06:13,720

>> The fish are still alive.

106

00:06:13,720 --> 00:06:15,260

[inaudible] already checked on them.

107

00:06:15,260 --> 00:06:18,510

He was very worried, they make it here.

108

00:06:18,510 --> 00:06:23,270

[Speaking Foreign Language]

109

00:06:23,270 --> 00:06:25,510

>> Hello. Hello.

110

00:06:25,510 --> 00:06:29,100

[Speaking Foreign Language]

111

00:06:29,100 --> 00:06:35,680

>> Greetings to my favorite son-in-law, Oleg Novitskiy.

112

00:06:35,680 --> 00:06:37,510

>> Hello, mother-in-law.

113

00:06:37,510 --> 00:06:44,500

>> And greetings to the new three crew members flying high

114

00:06:44,500 --> 00:06:46,230
above Earth.

115

00:06:46,230 --> 00:06:49,690
I wish you the best.

116

00:06:49,690 --> 00:06:53,000
I wish you good luck,
and a very soft landing

117

00:06:53,000 --> 00:06:55,430
when you do decide to return.

118

00:06:55,430 --> 00:06:57,930
Take care and all
the best to you.

119

00:06:57,930 --> 00:06:59,310
Thank you so much.

120

00:06:59,310 --> 00:07:00,690
>> [inaudible] you're
looking good.

121

00:07:00,690 --> 00:07:01,760
How was your [Inaudible]?

122

00:07:01,760 --> 00:07:03,180
Your launch was awesome.

123

00:07:03,180 --> 00:07:04,150
How was your free ride?

124

00:07:04,150 --> 00:07:08,280
What did you guys do?

125

00:07:08,280 --> 00:07:11,310

>> Well, the -- I hope it
looked awesome as it felt.

126
00:07:11,310 --> 00:07:13,660
It was just an incredible ride.

127
00:07:13,660 --> 00:07:16,690
Very similar to the G's
and stuff on a shuttle.

128
00:07:16,690 --> 00:07:20,230
But lots of different noises,
vibrations and feelings.

129
00:07:20,230 --> 00:07:22,510
So it was a fantastic trip.

130
00:07:22,510 --> 00:07:26,040
[Silence]

131
00:07:26,040 --> 00:07:27,510
>> Did you do some
of your puzzles?

132
00:07:27,510 --> 00:07:31,040
[Silence]

133
00:07:31,040 --> 00:07:31,890
>> I didn't get around
to any puzzles.

134
00:07:31,890 --> 00:07:33,420
There were lots of
other good things to do.

135
00:07:33,420 --> 00:07:35,330
Lots of good things
to investigate.

136

00:07:35,330 --> 00:07:39,140

And I'll tell you all about it
later, but no time for puzzles.

137

00:07:39,140 --> 00:07:40,080

We had a great time.

138

00:07:40,080 --> 00:07:41,190

It really went fast for me.

139

00:07:41,190 --> 00:07:45,200

The two days went
really quickly.

140

00:07:45,200 --> 00:07:48,440

>> Yeah, I thought it would.

141

00:07:48,440 --> 00:07:51,110

>> Hi, dad [echo sound].

142

00:07:51,110 --> 00:07:53,130

>> Hi, honey.

143

00:07:53,130 --> 00:07:56,930

>> Hey, we -- the launch
was really amazing.

144

00:07:56,930 --> 00:08:01,960

We were -- we got an incredible
view for a big day, really nice.

145

00:08:01,960 --> 00:08:03,160

And we've got -- we finally got

146

00:08:03,160 --> 00:08:05,160

to meet Oleg's new
beautiful daughters.

147

00:08:05,160 --> 00:08:06,510

So that's been nice.

148

00:08:06,510 --> 00:08:11,130

[Silence]

149

00:08:11,130 --> 00:08:11,650

>> That's good.

150

00:08:11,650 --> 00:08:14,800

So you guys had a great dinner that day, had a good trip home.

151

00:08:14,800 --> 00:08:16,510

I heard there was some snow in Moscow.

152

00:08:16,510 --> 00:08:18,580

Did you guys see it?

153

00:08:18,580 --> 00:08:21,060

>> Yeah, we saw a little snow.

154

00:08:21,060 --> 00:08:22,530

It's been really great.

155

00:08:22,530 --> 00:08:25,160

I think everybody's sad that we have to go back tomorrow.

156

00:08:25,160 --> 00:08:27,510

But so far, so good.

157

00:08:27,510 --> 00:08:31,170

[Silence]

158

00:08:31,170 --> 00:08:32,140

>> Yeah. I understand.

159

00:08:32,140 --> 00:08:34,450

Did you get to see
Star City today?

160

00:08:34,450 --> 00:08:36,050

Huh?

161

00:08:36,050 --> 00:08:37,510

>> What [inaudible]?

162

00:08:37,510 --> 00:08:42,040

[Silence]

163

00:08:42,040 --> 00:08:46,980

>> Did you say -- did you get to
go out and tour Star City today?

164

00:08:48,050 --> 00:08:50,720

>> Yeah. We had a
little tour of Star City.

165

00:08:50,720 --> 00:08:55,320

We got to see the
buoyancy lab and the --

166

00:08:55,320 --> 00:08:58,040

and some of the great
places you got to train.

167

00:08:58,040 --> 00:08:59,920

It was really neat.

168

00:08:59,920 --> 00:09:02,570

So we saw the dancing
show last night,

169

00:09:02,570 --> 00:09:04,510

which was really good too.

170

00:09:04,510 --> 00:09:09,070
[Silence]

171
00:09:09,070 --> 00:09:10,910
>> You guys just
about did it all then.

172
00:09:10,910 --> 00:09:12,060
That's really awesome.

173
00:09:12,060 --> 00:09:15,020
I'm glad you got to
all go see Star City.

174
00:09:15,020 --> 00:09:16,330
It's been my home away from home

175
00:09:16,330 --> 00:09:19,580
for the last two
and a half years.

176
00:09:19,580 --> 00:09:20,390
>> Yeah. Yep.

177
00:09:20,390 --> 00:09:24,510
Well, you guys, all six of you,
look really good, so, and happy.

178
00:09:24,510 --> 00:09:28,050
[Silence]

179
00:09:28,050 --> 00:09:29,430
>> Well, we just met
up with these guys.

180
00:09:29,430 --> 00:09:30,470
They do look pretty good.

181
00:09:30,470 --> 00:09:32,140

But I think they're
happy to see us.

182
00:09:32,140 --> 00:09:33,740

So maybe they'll get
to go home someday.

183
00:09:33,740 --> 00:09:35,640

But we're all doing great.

184
00:09:35,640 --> 00:09:38,120

We had a great trip up here.

185
00:09:38,120 --> 00:09:40,110

Oleg ended up getting food
at the Spacecraft flight.

186
00:09:40,110 --> 00:09:41,550

They've flown it
five times before.

187
00:09:41,550 --> 00:09:42,950

So it was just really a flight

188
00:09:42,950 --> 00:09:45,020

that couldn't have
gone smoother.

189
00:09:45,020 --> 00:09:47,510

>> Good. Did they save
you any ice cream?

190
00:09:47,510 --> 00:09:52,150

[Silence]

191
00:09:52,150 --> 00:09:54,510

>> They're saying that maybe.

192
00:09:54,510 --> 00:10:00,040

[Laughter]

193

00:10:00,040 --> 00:10:01,330

>> Of course, we have some things for them too.

194

00:10:01,330 --> 00:10:03,270

So if we don't see the ice cream, we might not head

195

00:10:03,270 --> 00:10:05,820

over there and [inaudible].

196

00:10:07,190 --> 00:10:09,220

>> Great. Well, all of your brothers

197

00:10:09,220 --> 00:10:11,000

and sisters here would want to say hello.

198

00:10:11,000 --> 00:10:12,330

So we were all really excited.

199

00:10:12,330 --> 00:10:16,220

It was a great lunch, and a great couple of weeks here

200

00:10:16,220 --> 00:10:19,320

in Moscow and Kazakhstan as well.

201

00:10:19,320 --> 00:10:21,310

>> Okay. Well, I think you got great treatment [inaudible]

202

00:10:21,310 --> 00:10:24,200

for taking care of you guys.

203

00:10:24,200 --> 00:10:26,160

But I love the fact that you're
all there to see the launch.

204

00:10:26,160 --> 00:10:28,440

So I'm glad you all made it.

205

00:10:28,440 --> 00:10:30,510

>> Yep. Yep, it was great.

206

00:10:30,510 --> 00:10:34,290

[Silence]

207

00:10:34,290 --> 00:10:36,190

>> Virginia.

208

00:10:36,190 --> 00:10:37,490

Virginia [inaudible].

209

00:10:37,490 --> 00:10:38,110

>> Virginia.

210

00:10:38,110 --> 00:10:39,320

Virginia. Hello.

211

00:10:39,320 --> 00:10:40,510

This is your father.

212

00:10:40,510 --> 00:10:44,160

[Speaking Foreign Language]

213

00:10:44,160 --> 00:10:48,060

>> Guys, it was so
exciting watching you.

214

00:10:48,060 --> 00:10:52,510

And we see that you've
adopted to your new environment

215

00:10:52,510 --> 00:10:55,860

within such a short
period of time.

216

00:10:55,860 --> 00:10:59,180

It's excellent to see that.

217

00:10:59,180 --> 00:11:00,680

So how was it?

218

00:11:00,680 --> 00:11:08,190

>> Well, dad, it was kind of
difficult during the first day

219

00:11:08,190 --> 00:11:09,640

and then it leveled out.

220

00:11:09,640 --> 00:11:12,210

It got better and tolerable.

221

00:11:12,210 --> 00:11:13,780

Today we're feeling great.

222

00:11:13,780 --> 00:11:18,250

And we're actually hanging
on to some foot brackets

223

00:11:18,250 --> 00:11:22,880

so that we wouldn't fly away
out of the view of the camera.

224

00:11:22,880 --> 00:11:26,510

And I have here your two
daughters here, Virginia.

225

00:11:26,510 --> 00:11:30,430

>> I just wanted to hand it over
to them for a couple of words.

226

00:11:30,430 --> 00:11:35,580

And Virginia, before we do
this, we saw your launch.

227

00:11:35,580 --> 00:11:37,390

It was breathtaking.

228

00:11:37,390 --> 00:11:40,480

And we see that -- I
think you grew a little,

229

00:11:40,480 --> 00:11:42,750

maybe stretched out.

230

00:11:42,750 --> 00:11:44,130

You look excellent.

231

00:11:44,130 --> 00:11:47,800

We hope that you can always
see us in your window,

232

00:11:47,800 --> 00:11:49,970

know that we are
with you in spirits.

233

00:11:49,970 --> 00:11:52,950

And when we look up,
we'll know that you're

234

00:11:52,950 --> 00:11:54,730

up there watching over us.

235

00:11:54,730 --> 00:11:58,590

And we can see happiness
written all over your faces.

236

00:11:58,590 --> 00:12:01,880

So we're very excited for you.

237

00:12:01,880 --> 00:12:03,420

>> Oh, and behave.

238

00:12:03,420 --> 00:12:14,890

>> I will hand it over to Alisa
and she will take it from here.

239

00:12:14,890 --> 00:12:15,290

>> Hello, dad.

240

00:12:15,290 --> 00:12:15,920

>> Hello, baby.

241

00:12:15,920 --> 00:12:18,940

How are you doing?

242

00:12:18,940 --> 00:12:19,530

>> I'm great.

243

00:12:19,530 --> 00:12:20,700

How are you?

244

00:12:20,700 --> 00:12:23,830

>> Same here.

245

00:12:23,830 --> 00:12:27,680

>> I'm doing well also.

246

00:12:27,680 --> 00:12:32,400

What grade did you get today?

247

00:12:32,400 --> 00:12:34,970

>> Nothing worth talking about.

248

00:12:34,970 --> 00:12:36,510

>> Oh, that's okay.

249

00:12:36,510 --> 00:12:41,040
[Speaking Foreign Language]

250

00:12:41,040 --> 00:12:44,220

>> And how are you
doing over there?

251

00:12:44,220 --> 00:12:47,690

Or have you adopted already?

252

00:12:47,690 --> 00:12:50,800

>> Yes. As you can
see, I'm doing well.

253

00:12:50,800 --> 00:12:55,450

I look okay and I feel fine.

254

00:12:55,450 --> 00:12:58,000

Okay. I'll hand it
over to [inaudible],

255

00:12:58,000 --> 00:13:04,490

because she's basically forcing
the phone out of my hands.

256

00:13:04,490 --> 00:13:06,930

>> Daddy, hello.

257

00:13:06,930 --> 00:13:07,620

>> Hello, [inaudible].

258

00:13:07,620 --> 00:13:10,510

Tell me anything.

259

00:13:10,510 --> 00:13:17,420

[Speaking Foreign Language]

260

00:13:17,420 --> 00:13:19,390

>> I love my little horsey.

261

00:13:19,390 --> 00:13:21,510

I'll comb its hair.

262

00:13:21,510 --> 00:13:25,040

[Speaking Foreign Language]

263

00:13:25,040 --> 00:13:28,600

>> Russian children's poem.

264

00:13:29,720 --> 00:13:31,110

That's good reading.

265

00:13:31,110 --> 00:13:32,510

Thank you so much.

266

00:13:32,510 --> 00:13:39,040

[Speaking Foreign Language]

267

00:13:39,040 --> 00:13:40,280

>> I hope there will
be no winter.

268

00:13:40,280 --> 00:13:46,370

I hope to see grassy hills,

269

00:13:46,370 --> 00:13:53,010

and I hope to see
winter turn to spring.

270

00:13:53,010 --> 00:13:54,260

>> That's another great poem.

271

00:13:54,260 --> 00:13:58,210

Thank you for telling it to me.

272

00:13:58,210 --> 00:13:58,930

>> Hello, [inaudible].

273

00:13:58,930 --> 00:14:00,500

This is [inaudible]
wife, Ola [phonetic].

274

00:14:00,500 --> 00:14:01,590

Hello, Kevin.

275

00:14:01,590 --> 00:14:03,870

And Virginia, hello.

276

00:14:03,870 --> 00:14:09,370

I'm glad to see all of you
on board the Space Station.

277

00:14:09,370 --> 00:14:11,150

You look awesome.

278

00:14:11,150 --> 00:14:12,480

Hello, Ola.

279

00:14:12,480 --> 00:14:15,640

We're doing well.

280

00:14:15,640 --> 00:14:19,340

We came back and
we're finally home.

281

00:14:19,340 --> 00:14:22,330

We're very excited that
you're finally up there

282

00:14:22,330 --> 00:14:25,830

and you've reached
what you set out to do.

283

00:14:25,830 --> 00:14:29,150

And then the docking and
hatch opening has occurred

284

00:14:29,150 --> 00:14:30,900
and you have all reunited.

285

00:14:30,900 --> 00:14:35,280
So I'll call everybody and
make sure that they all know.

286

00:14:35,280 --> 00:14:40,870
>> Well, I'm glad
you'll do that for us.

287

00:14:40,870 --> 00:14:44,640
>> These are great poems.

288

00:14:44,640 --> 00:14:48,030
I didn't -- I never heard
her tell them before.

289

00:14:48,030 --> 00:14:49,210
>> Yeah, this is new.

290

00:14:49,210 --> 00:14:52,270
It's sort of like
a present for you,

291

00:14:52,270 --> 00:14:56,130
to lift up your spirits
while you're up there.

292

00:14:56,130 --> 00:14:59,180
So we practiced a lot.

293

00:14:59,180 --> 00:15:03,030
>> And to everybody up there,
greetings, best regards.

294

00:15:03,030 --> 00:15:06,970
We're so excited to see you

finally on the Space Station.

295

00:15:06,970 --> 00:15:11,730

>> And we're finally
happy to be here.

296

00:15:11,730 --> 00:15:15,600

Yes, and your mother-in-law,

297

00:15:15,600 --> 00:15:17,910

who's my mom, is
also here with me.

298

00:15:17,910 --> 00:15:24,020

So I'll hand it over to
her for a couple of words.

299

00:15:24,020 --> 00:15:25,140

>> Hello, dear.

300

00:15:25,140 --> 00:15:27,110

Greetings from Siberia.

301

00:15:27,110 --> 00:15:31,940

What, you're here from Siberia?

302

00:15:31,940 --> 00:15:36,670

>> Yes. I took a long
trip from Siberia to be

303

00:15:36,670 --> 00:15:39,590

with you here on this day.

304

00:15:39,590 --> 00:15:43,070

I wanted to say congratulations,
bravo.

305

00:15:43,070 --> 00:15:45,250

Keep it up.

306

00:15:45,250 --> 00:15:50,360

And take care.

307

00:15:50,360 --> 00:15:52,290

All the best to you.

308

00:15:52,290 --> 00:15:52,630

Bye.

309

00:15:55,280 --> 00:15:54,300

>> Bye, everyone.

310

00:15:55,280 --> 00:15:58,230

Thank you for coming.

311

00:15:58,230 --> 00:16:01,850

>> Hello. This is
your brother Mitri.

312

00:16:01,850 --> 00:16:03,900

>> Oh, hello, Mitri.

313

00:16:03,900 --> 00:16:07,590

>> You weren't able
to speak first?

314

00:16:09,290 --> 00:16:09,890

>> That's okay.

315

00:16:09,890 --> 00:16:10,940

How are you doing?

316

00:16:10,940 --> 00:16:13,100

You look great.

317

00:16:13,100 --> 00:16:17,980

>> Yeah, we are trying our

best to be on our best side.

318

00:16:17,980 --> 00:16:22,630

>> Greetings from
everybody from Belarus.

319

00:16:22,630 --> 00:16:23,750

>> And likewise.

320

00:16:23,750 --> 00:16:26,360

Greetings to everybody
whom we know,

321

00:16:26,360 --> 00:16:29,860

to all of our loved
ones and our friends.

322

00:16:29,860 --> 00:16:31,650

>> Okay. Well, that's it for me.

323

00:16:31,650 --> 00:16:35,360

Take care and I'll
talk to you next time.

324

00:16:35,360 --> 00:16:36,510

>> All the best.

325

00:16:36,510 --> 00:16:40,130

[Silence]

326

00:16:40,130 --> 00:16:40,530

>> Good luck.

327

00:16:40,530 --> 00:16:42,580

And again, I can't
wait to hear about it.

328

00:16:42,580 --> 00:16:46,510

[inaudible] said don't

forget to take the fish.

329

00:16:46,510 --> 00:16:52,060

[Silence]

330

00:16:52,060 --> 00:16:53,220

>> Hey, don't forget
to take the fish out.

331

00:16:53,220 --> 00:16:55,500

I don't think we'll forget
to take the fish out.

332

00:16:55,500 --> 00:17:00,550

They said they're knocking
at the door when we were at.

333

00:17:00,550 --> 00:17:04,510

>> How did the new guys do
with the first time in zero G?

334

00:17:04,510 --> 00:17:08,140

[Silence]

335

00:17:08,140 --> 00:17:10,840

>> They were just
going crazy with it.

336

00:17:10,840 --> 00:17:12,890

They had a lot of work to do.

337

00:17:12,890 --> 00:17:15,380

And they seemed to act

338

00:17:15,380 --> 00:17:18,110

like they've just been there
three or four times before.

339

00:17:18,110 --> 00:17:20,620

Really, they just --
they tied everything

340

00:17:20,620 --> 00:17:24,910
up the way they were supposed
to and just flipped upside down

341

00:17:24,910 --> 00:17:28,570
and got into places that you'd
get into easier in zero G.

342

00:17:28,570 --> 00:17:30,070
And it was really great.

343

00:17:30,070 --> 00:17:34,510
>> And [inaudible] did his job?

344

00:17:34,510 --> 00:17:39,010
[Silence]

345

00:17:39,010 --> 00:17:41,080
[Inaudible]

346

00:17:41,080 --> 00:17:43,220
>> He told us everything
we needed to know.

347

00:17:43,220 --> 00:17:45,510
It was really fun to watch.

348

00:17:45,510 --> 00:17:55,040
[Silence]

349

00:17:55,040 --> 00:17:56,360
>> Hold on one second.

350

00:17:56,360 --> 00:18:01,650
We got a couple more people
that want to say hello.

351

00:18:01,650 --> 00:18:02,460

>> Hi, Kevin.

352

00:18:02,460 --> 00:18:04,000

>> All right.

353

00:18:04,000 --> 00:18:06,780

Bring it on.

354

00:18:06,780 --> 00:18:08,170

>> How are you [echo]?

355

00:18:08,170 --> 00:18:09,780

>> Good. Is this Nance?

356

00:18:09,780 --> 00:18:12,320

>> Yeah. So great
to see you, Kevin.

357

00:18:12,320 --> 00:18:14,270

You look wonderful.

358

00:18:14,270 --> 00:18:16,000

The launch was fabulous.

359

00:18:16,000 --> 00:18:17,760

We are just thrilled
to be here with you.

360

00:18:17,760 --> 00:18:20,510

Thank you so much for letting
us enjoy this with you.

361

00:18:20,510 --> 00:18:24,040

[Silence]

362

00:18:24,040 --> 00:18:25,820

>> Yeah. It was awesome to see
you guys when we were walking

363

00:18:25,820 --> 00:18:29,030
out to the box and
walking out to the rocket.

364

00:18:29,030 --> 00:18:32,540
And we were just really blessed
to have that great day we had.

365

00:18:32,540 --> 00:18:35,020
I was just so hoping
you guys would be able

366

00:18:35,020 --> 00:18:36,310
to see it a long ways out.

367

00:18:36,310 --> 00:18:39,630
And I hope it looked as good
outside as it felt inside.

368

00:18:39,630 --> 00:18:43,430
>> It looks just -- it looked
spectacular, to use your lingo.

369

00:18:43,430 --> 00:18:44,580
It looked wonderful.

370

00:18:44,580 --> 00:18:45,380
Thank you, Kevin.

371

00:18:45,380 --> 00:18:47,820
And have a wonderful
time, enjoy your stay,

372

00:18:47,820 --> 00:18:49,450
and we will see you soon.

373

00:18:49,450 --> 00:18:50,510
Love you.

374
00:18:50,510 --> 00:18:54,040
[Silence]

375
00:18:54,040 --> 00:18:56,550
>> Okay. Kevin, it's Susan.

376
00:18:56,550 --> 00:18:57,060
>> Hey, Susie.

377
00:18:57,060 --> 00:18:57,870
>> How you doing?

378
00:18:57,870 --> 00:19:03,760
Hey, I'm only going
to take a second here.

379
00:19:03,760 --> 00:19:05,310
>> I told them not to let
you on the floor [inaudible].

380
00:19:05,310 --> 00:19:05,400
>> I know.

381
00:19:05,400 --> 00:19:06,350
They tried not to.

382
00:19:06,350 --> 00:19:09,320
They couldn't keep us away.

383
00:19:09,320 --> 00:19:12,980
Okay. Here's Dean to
say hi [inaudible].

384
00:19:12,980 --> 00:19:13,500
Go.

385

00:19:13,500 --> 00:19:14,870

>> Say hi you guys.

386

00:19:14,870 --> 00:19:15,720

>> This is Dean.

387

00:19:15,720 --> 00:19:17,090

It was a great show.

388

00:19:17,090 --> 00:19:18,110

Have a great flight.

389

00:19:18,110 --> 00:19:19,890

We have to sign off.

390

00:19:19,890 --> 00:19:20,190

>> Okay, Dean.

391

00:19:20,190 --> 00:19:21,710

>> Okay, copy you.

392

00:19:21,710 --> 00:19:24,730

You got to sign off.

393

00:19:24,730 --> 00:19:27,010

I got some good tricks for
you on the way up here.
