1
00:00:03,136 --> 00:00:05,586
>> Hello, I'm Kevin
Ford of Expedition 34.

2
00:00:06,106 --> 00:00:08,636
Our three crewmates, Suni
Williams, Yuri Malenchenko,

3
00:00:08,636 --> 00:00:10,446
and Akihiko Hoshide, have
just returned to earth

4
00:00:10,526 --> 00:00:13,756
to spend Thanksgiving with their
families and friends in Houston.

5
00:00:14,506 --> 00:00:18,896
They were with us for about
4 weeks and now my crewmates,

6
00:00:19,076 --> 00:00:22,036
Oleg Novitskiy, Evgeny Tarelkin,

7
00:00:22,036 --> 00:00:23,966
and I will celebrate
thanksgiving onboard the

8
00:00:23,966 --> 00:00:25,226
International Space Station

9
00:00:25,676 --> 00:00:27,776
by celebrating all we
have to be thankful for.

10
00:00:28,156 --> 00:00:29,066
And one of the things I would

11
00:00:29,066 --> 00:00:31,806
like to say we're really

thankful for, of course outside

12

00:00:31,806 --> 00:00:34,416
of our family and friends,
is the support we receive

13

00:00:34,726 --> 00:00:39,376
from earth 24 hours a day, 7
days a week, all year round

14

00:00:39,486 --> 00:00:42,126
from our international flight
control team, so thank you

15

00:00:42,126 --> 00:00:43,606
for that support
and being with us.

16

00:00:44,086 --> 00:00:46,606
I wanted to show you a little
bit about what we'll do onboard

17

00:00:46,606 --> 00:00:47,946
for Thanksgiving Holiday.

18

00:00:47,946 --> 00:00:50,776
Let me put the mic down here in
zero gravity for just a second

19

00:00:50,776 --> 00:00:52,706
and pull out a few
of the things.

20

00:00:53,566 --> 00:00:56,266
These are some of the
foods that we'll share.

21

00:00:56,266 --> 00:00:59,836
We'll have a little Thanksgiving
feast onboard and we get food

22

00:00:59,836 --> 00:01:01,086
in all kinds of forms up here.

23

00:01:01,086 --> 00:01:03,356
I'm going to pull things out
of these little turkey bag here

24

00:01:03,696 --> 00:01:04,956
in just random order; however,

25

00:01:04,956 --> 00:01:06,386
they float to the
top of the bag.

26

00:01:06,386 --> 00:01:09,296
This is not the order I
recommend you eat them

27

00:01:09,296 --> 00:01:10,186
in however.

28

00:01:10,626 --> 00:01:14,586
So here's a little
cornbread dressing, dehydrated

29

00:01:14,586 --> 00:01:16,326
and ready for rehydration.

30

00:01:19,146 --> 00:01:22,216
We have also some
smoked turkey of course

31

00:01:22,486 --> 00:01:23,536
to celebrate the holiday.

32

00:01:25,726 --> 00:01:31,196
Here's a drink that we
would consider seasonal;

33

00:01:31,376 --> 00:01:34,706

it's a cranberry peach
drink with sweetener.

34

00:01:35,336 --> 00:01:42,876

I will pull out also a
Russian can, it's a desert,

35

00:01:43,276 --> 00:01:46,896

[foreign name], and
that is an apple desert

36

00:01:46,896 --> 00:01:49,206

which would be very good
for the season as well.

37

00:01:49,676 --> 00:01:53,176

Let's see what else we got here.

38

00:01:56,876 --> 00:02:01,296

I found in our stash some baked
beans that can just be heated

39

00:02:01,296 --> 00:02:05,426

up in our onboard oven and
also some cherry peach cobbler

40

00:02:05,676 --> 00:02:06,316

for dessert.

41

00:02:08,516 --> 00:02:14,686

[Pause]

42

00:02:15,186 --> 00:02:18,776

I've got a crane-apple
dessert which, of course,

43

00:02:18,776 --> 00:02:19,876

is also very seasonal.

44

00:02:20,516 --> 00:02:24,546

[Pause]

45

00:02:25,046 --> 00:02:27,826

And let's see, just a couple
more things in the bag here.

46

00:02:28,516 --> 00:02:33,636

[Pause]

47

00:02:34,136 --> 00:02:37,636

Here's some more Russian food,
it's a puree, [foreign name],

48

00:02:38,836 --> 00:02:40,526

which is...Oh, slukam
[assumed spelling]

49

00:02:40,526 --> 00:02:42,856

which is mashed potatoes
with onion

50

00:02:43,296 --> 00:02:44,576

which will also be delicious

51

00:02:44,576 --> 00:02:47,556

and all this stuff is
definitely going to be eaten

52

00:02:47,556 --> 00:02:49,376

by us on Thanksgiving day.

53

00:02:49,726 --> 00:02:51,816

Of course I'll get enough
from my pre-made stew.

54

00:02:52,236 --> 00:02:54,186

And here's a little
packet of corn.

55

00:02:54,596 --> 00:02:58,856

Just to show you what these look
like, that is still unprepared

56

00:02:58,856 --> 00:03:01,276

that corn right there; it's
still in its dried state.

57

00:03:01,276 --> 00:03:04,136

After we hydrate it, it
looks something like this.

58

00:03:04,466 --> 00:03:08,246

Just put some hot water in and
give it some time and after

59

00:03:08,246 --> 00:03:11,496

about 15 minutes, it's nice and
tasty and ready to eat again.

60

00:03:12,126 --> 00:03:15,446

So we have rehydratable
food; here's one also,

61

00:03:15,846 --> 00:03:19,156

potatoes au gratin,
that's been rehydrated

62

00:03:19,156 --> 00:03:23,326

and will be very delicious
on Thanksgiving Day.

63

00:03:23,946 --> 00:03:30,736

So one other favorite of
Thanksgiving Day is candied yams

64

00:03:30,736 --> 00:03:31,716

and I've got those here.

65

00:03:32,486 --> 00:03:37,616

And let's see...put these
foods down just for a second.

66

00:03:37,806 --> 00:03:39,956

Get them all situated.

67

00:03:40,336 --> 00:03:44,356

And Suni Williams was kind
enough to leave onboard

68

00:03:44,406 --> 00:03:49,856

for us some...some
marshmallow cream,

69

00:03:50,296 --> 00:03:52,646

so if I combine these
candied yams

70

00:03:52,646 --> 00:03:54,126

with this little
marshmallow cream,

71

00:03:54,646 --> 00:03:56,266

this is something I
think a lot of people

72

00:03:56,266 --> 00:03:58,146

like to do at Thanksgiving time.

73

00:03:58,996 --> 00:04:02,566

So my Russian crewmates
are not far away back

74

00:04:02,566 --> 00:04:03,356

in the Russian Segment.

75

00:04:06,296 --> 00:04:08,416

Let me see if I can find them.

76

00:04:09,016 --> 00:04:13,796

[Foreign Language] So
just as a final thought,

77

00:04:13,986 --> 00:04:16,226

we'd like to wish you
all a Happy Thanksgiving.

78

00:04:17,026 --> 00:04:19,666

We're working today and tomorrow

79

00:04:19,666 --> 00:04:21,716

and then we'll have
Thanksgiving Day off

80

00:04:22,006 --> 00:04:23,246

with the flight control teams.

81

00:04:24,086 --> 00:04:28,166

So Happy Thanksgiving from
Expedition 34 and I'll let Oleg

82

00:04:28,166 --> 00:04:29,956

and Evgeny say it in
their native language.

83

00:04:31,736 --> 00:04:32,386

>> Hello guys.

84

00:04:32,956 --> 00:04:35,806

Congratulations this
Thanksgiving day.

85

00:04:36,176 --> 00:04:39,186

All the best to you.

86

00:04:40,546 --> 00:04:45,126
>> Thanksgiving Day...

87
00:04:45,126 --> 00:04:45,596
[laughs]...

88
00:04:45,596 --> 00:04:47,656
>> [Foreign Language] So
wish you all a very happy

89
00:04:47,656 --> 00:04:49,276
Thanksgiving from Expedition 34.

90
00:04:51,706 --> 00:04:51,936
>> Good.

91
00:04:52,156 --> 00:04:52,046
>> [Foreign Language]

92
00:04:52,156 --> 00:04:52,266
[laughs].
