

1  
00:00:01,100 --> 00:00:09,575  
[ Speaking foreign language ]

2  
00:00:39,071 --> 00:00:41,340  
>> I invite everyone to come in.

3  
00:00:41,340 --> 00:00:44,543  
Let's not you know  
freeze out here.

4  
00:00:44,543 --> 00:00:53,619  
[ Speaking foreign language ]

5  
00:00:59,091 --> 00:01:02,495  
>> Comrades, friends, come in.

6  
00:01:02,495 --> 00:01:11,570  
[ Speaking foreign language ]

7  
00:01:12,371 --> 00:01:13,472  
>> Yea, it's slippery here.

8  
00:01:13,472 --> 00:01:15,508  
Be careful.

9  
00:01:15,508 --> 00:01:24,583  
[ Speaking foreign language ]

10  
00:01:34,059 --> 00:01:35,528  
>> Hello. We have just arrived.

11  
00:01:35,528 --> 00:01:44,603  
[ Speaking foreign language ]

12  
00:01:50,075 --> 00:01:51,544  
>> Turn to the left please.

13

00:01:51,544 --> 00:02:00,553  
[ Speaking foreign language ]

14

00:02:26,078 --> 00:02:27,046  
>> Thanks a lot.

15

00:02:27,046 --> 00:02:30,216  
So, they're trying to stay here?

16

00:02:30,216 --> 00:02:32,451  
[ Speaking foreign language ]

17

00:02:32,451 --> 00:02:35,421  
>> And the backup  
group approaches,

18

00:02:35,421 --> 00:02:40,526  
poses for the picture.

19

00:02:40,526 --> 00:02:49,602  
[ Speaking foreign language ]

20

00:02:59,178 --> 00:03:02,248  
>> Young man, what did you say  
to your wife before you go?

21

00:03:02,248 --> 00:03:05,651  
I told her control the light

22

00:03:05,651 --> 00:03:07,720  
and please charge the  
batteries for your phone.

23

00:03:07,720 --> 00:03:11,757  
I will check in the evening.

24

00:03:11,757 --> 00:03:12,891  
>> [Speaking foreign language]

25

00:03:12,891 --> 00:03:15,828

>> I will be able to see  
my family before we go.

26

00:03:15,828 --> 00:03:19,231

>> How will you be spending  
your final two weeks

27

00:03:19,231 --> 00:03:21,400

in Baikonur before your launch?

28

00:03:21,400 --> 00:03:23,235

>> We'll be spending  
it a little bit

29

00:03:23,235 --> 00:03:25,771

of physical activity getting  
ready for the work onboard,

30

00:03:25,771 --> 00:03:28,274

getting a little bit  
of book preparation,

31

00:03:28,274 --> 00:03:31,043

taking care of the  
last minute things.

32

00:03:31,043 --> 00:03:33,746

We'll have a chance to call some  
friends and talk to our families

33

00:03:33,746 --> 00:03:38,517

as well and visit just some  
of our closest family members

34

00:03:38,517 --> 00:03:42,588

that are here with us.

35

00:03:42,588 --> 00:03:43,889

[Speaking foreign language]

36

00:03:43,889 --> 00:03:46,659

>> Roman, what do you have when you go to the station?

37

00:03:46,659 --> 00:03:48,460

Do you have any fears?

38

00:03:48,460 --> 00:03:49,828

What do you expect?

39

00:03:49,828 --> 00:03:52,631

Well, if we feared anything we wouldn't be standing here.

40

00:03:52,631 --> 00:03:56,368

We work together very well during all the training.

41

00:03:56,368 --> 00:04:00,072

We know about all the situations that might arise there.

42

00:04:00,072 --> 00:04:04,943

So, I hope everything will be nominal, will be smooth

43

00:04:04,943 --> 00:04:08,180

and there won't be any [Inaudible] situations.

44

00:04:08,180 --> 00:04:09,682

Everything will be fine.

45

00:04:09,682 --> 00:04:11,950

>> Chris Hatfield for the Canadian Space Agency,

46

00:04:11,950 --> 00:04:14,420

they'd like to know what  
your last normal meal

47

00:04:14,420 --> 00:04:16,388

on earth is going to be  
before you launch into space.

48

00:04:16,388 --> 00:04:18,657

If you can, answer in  
English and German.

49

00:04:18,657 --> 00:04:21,226

>> If you could picture what  
meal you would have before being

50

00:04:21,226 --> 00:04:22,561

locked in a small spaceship

51

00:04:22,561 --> 00:04:26,498

for two days my last meal is  
going to be clear bouillon.

52

00:04:26,498 --> 00:04:35,574

[ Speaking foreign language ]

53

00:04:52,057 --> 00:04:55,427

>> No more questions so  
let's not allow them freeze.

54

00:04:55,427 --> 00:04:57,496

Thank you.

55

00:04:59,531 --> 00:05:08,540

[ Speaking foreign language ]

56

00:05:15,147 --> 00:05:19,218

>> Please wait a little.

57

00:05:19,218 --> 00:05:20,486  
Here you go.

58  
00:05:20,486 --> 00:05:29,128  
[ Speaking foreign language ]

59  
00:05:29,128 --> 00:05:30,496  
>> So, we'll see  
each other soon.

60  
00:05:30,496 --> 00:05:35,067  
[ Speaking foreign language ]

61  
00:05:35,067 --> 00:05:36,001  
>> It's a tradition.

62  
00:05:36,001 --> 00:05:40,339  
To give you a push  
is a tradition.

63  
00:05:40,339 --> 00:05:43,442  
>> According to Russian  
tradition.

64  
00:05:43,442 --> 00:05:44,276  
No, no, no.

65  
00:05:44,276 --> 00:05:45,210  
>> [Speaking foreign language]

66  
00:05:45,210 --> 00:05:49,648  
>> We are actually  
a backup group.

67  
00:05:49,648 --> 00:05:50,516  
We don't need this.

68  
00:05:50,516 --> 00:05:51,417  
>> [Speaking foreign language]

69

00:05:51,417 --> 00:05:55,521

>> You hit her.

70

00:05:55,521 --> 00:06:00,259

[ Speaking foreign language ]

71

00:06:00,259 --> 00:06:01,260

>> We'll be good.

72

00:06:01,260 --> 00:06:03,462

>> The second cosmonaut  
tell you enough.

73

00:06:03,462 --> 00:06:12,538

[ Speaking foreign language ]

74

00:06:23,282 --> 00:06:24,483

>> Wait your turn.
