1
00:00:02,416 --> 00:00:05,016
Season's Greetings from your
International Space Station.

2
00:00:05,596 --> 00:00:08,016
I'm Kevin Ford currently
serving as commander

3
00:00:08,016 --> 00:00:09,966
of the space station's
34th Expedition.

4
00:00:10,976 --> 00:00:12,796
I wanted take a moment
to wish all of you living

5
00:00:12,796 --> 00:00:15,096
on Earth a very warm and
joyous holiday season.

6
00:00:16,316 --> 00:00:18,276
We are very fortunate
to live in one

7
00:00:18,276 --> 00:00:21,156
of the most affluent countries
in the world and we together

8
00:00:21,156 --> 00:00:24,196
with a group of other
countries with the assets

9
00:00:24,196 --> 00:00:27,126
and the foresights to explore
are here to make a difference

10
00:00:27,126 --> 00:00:28,056
in the final frontier.

11

00:00:29,006 --> 00:00:30,446

In this season of celebration

12

00:00:30,756 --> 00:00:33,746

and gift giving I hope you
won't fail to recognize

13

00:00:33,746 --> 00:00:36,536

that the exploration and
research we do today at NASA,

14

00:00:37,126 --> 00:00:40,406

including what we do aboard the
space station is itself a great

15

00:00:40,406 --> 00:00:43,666

gift our children, indeed the
children of our entire planet

16

00:00:43,866 --> 00:00:45,086

and of generations to come.

17

00:00:46,066 --> 00:00:48,036

I know that it will
make contributions

18

00:00:48,036 --> 00:00:49,426

that will improve
the lives of us all.

19

00:00:50,486 --> 00:00:53,066

So on behalf of our crew
onboard and from all of us

20

00:00:53,066 --> 00:00:54,996

at NASA I wish you a wonderful
