

1
00:00:26,310 --> 00:00:24,630
thank you

2
00:00:27,830 --> 00:00:26,320
another astronaut that had a similar

3
00:00:29,109 --> 00:00:27,840
background is me bill shepard who

4
00:00:31,509 --> 00:00:29,119
happened to be the commander of the

5
00:00:34,069 --> 00:00:31,519
first expedition on the space station

6
00:00:36,709 --> 00:00:34,079
was uh the person that motivated me to

7
00:00:38,150 --> 00:00:36,719
apply and become an astronaut

8
00:00:40,310 --> 00:00:38,160
well uh

9
00:00:42,229 --> 00:00:40,320
it's fantastic work we all really love

10
00:00:44,069 --> 00:00:42,239
what we do to fly in space and it's a

11
00:00:44,790 --> 00:00:44,079
really special opportunity that we get

12
00:00:46,790 --> 00:00:44,800
to

13
00:00:48,549 --> 00:00:46,800

have as individuals and we wish we could

14

00:00:50,069 --> 00:00:48,559

share the whole great experience with

15

00:01:27,910 --> 00:00:50,079

everybody that

16

00:01:27,920 --> 00:01:59,990

um

17

00:02:00,000 --> 00:02:11,589

yes

18

00:02:15,910 --> 00:02:13,750

you have to

19

00:02:26,630 --> 00:02:15,920

all right

20

00:02:26,640 --> 00:03:00,070

please standby

21

00:03:04,390 --> 00:03:02,229

do we need some water let me put some

22

00:03:16,550 --> 00:03:04,400

water in there

23

00:03:21,910 --> 00:03:18,630

it looks good

24

00:03:23,430 --> 00:03:21,920

it's grown it's going to grow

25

00:03:37,670 --> 00:03:23,440

be careful

26

00:03:57,670 --> 00:03:39,910

all right that's it let's go upstairs

27

00:04:02,070 --> 00:03:59,350

not your standard billiards table that

28

00:04:04,789 --> 00:04:02,080

we have in the united states

29

00:04:06,789 --> 00:04:04,799

the pockets are are just barely wider

30

00:04:08,229 --> 00:04:06,799

than the cute ball or and they all look

31

00:04:09,350 --> 00:04:08,239

like cue balls you can hit anything you

32

00:04:10,949 --> 00:04:09,360

wanted

33

00:04:12,789 --> 00:04:10,959

i don't we don't really know exactly the

34

00:04:24,870 --> 00:04:12,799

rules but

35

00:04:30,629 --> 00:04:27,030

so we're behind the scenes inside media

36

00:04:32,310 --> 00:04:30,639

day press day here at uh

37

00:04:33,590 --> 00:04:32,320

as you can see powell's doing his

38

00:04:35,830 --> 00:04:33,600

spinning chair

39

00:04:37,830 --> 00:04:35,840

and uh we're in the room where we'll do

40

00:04:39,350 --> 00:04:37,840

ortho stole in this spinning chair once
