

1
00:00:37,680 --> 00:01:07,429

yes

2
00:01:07,439 --> 00:01:15,590

chili

3
00:01:31,590 --> 00:01:17,190

yes we are let's go

4
00:01:36,710 --> 00:01:33,270

when it

5
00:01:39,190 --> 00:01:38,390
we're at what we call the second fit

6
00:01:41,910 --> 00:01:39,200

check

7
00:01:44,389 --> 00:01:41,920
and the backup crew is right up there

8
00:01:46,149 --> 00:01:44,399
inside our soyuz and uh pablo and sasha

9
00:01:48,389 --> 00:01:46,159
myself we just visited a progress that

10
00:01:50,469 --> 00:01:48,399
will visit us in april

11
00:01:51,670 --> 00:01:50,479
has a new treadmill in there so we check

12
00:01:53,749 --> 00:01:51,680
that out

13
00:01:55,749 --> 00:01:53,759

and it's just such a cool feeling to be

14

00:01:57,830 --> 00:01:55,759

so close to launch and be s and to see

15

00:01:59,749 --> 00:01:57,840

our very own spaceship

16

00:02:02,230 --> 00:01:59,759

right there that we're going to climb in

17

00:02:04,709 --> 00:02:02,240

all the cargo's loaded it's ready to go

18

00:02:06,310 --> 00:02:04,719

encapsulated in its fairings and uh the

19

00:02:08,389 --> 00:02:06,320

next time we see

20

00:02:10,790 --> 00:02:08,399

this spaceship will be on launch day

21

00:02:13,030 --> 00:02:10,800

with our suits climbing in for real so

22

00:02:15,110 --> 00:02:13,040

the three of us are really excited me in

23

00:02:17,270 --> 00:02:15,120

particular i can't wait to get get going

24

00:02:18,869 --> 00:02:17,280

and get up to the space station and join

25

00:02:35,350 --> 00:02:18,879

uh chris and tom to be part of

26

00:02:35,360 --> 00:02:50,070

thank you

27

00:02:50,080 --> 00:03:15,910

foreign

28

00:03:15,920 --> 00:03:21,670

everything's here yes

29

00:03:23,990 --> 00:03:22,630

how many

30

00:03:29,830 --> 00:03:24,000

three

31

00:03:34,229 --> 00:03:32,869

yes we did check the whole

32

00:03:39,589 --> 00:03:34,239

vehicle

33

00:03:44,149 --> 00:03:39,599

absolutely ready we looked at all the

34

00:03:47,750 --> 00:03:45,430

we

35

00:03:49,910 --> 00:03:47,760

did check out where uh all on board

36

00:03:53,429 --> 00:03:49,920

procedures are located

37

00:03:55,509 --> 00:03:53,439

we don't have any negative comments

38

00:03:57,030 --> 00:03:55,519

oh it's fantastic i can't wait to climb

39

00:03:58,229 --> 00:03:57,040

in it on launch day it's so exciting to

40

00:03:59,910 --> 00:03:58,239

be here and

41

00:04:01,190 --> 00:03:59,920

see everything all the great work that

42

00:04:04,149 --> 00:04:01,200

everybody's put into it so it's

43

00:04:21,509 --> 00:04:07,190

can i sign it somewhere else

44

00:04:21,519 --> 00:04:46,150

go ahead chris any way you like

45

00:04:46,160 --> 00:05:06,629

victims

46

00:05:11,189 --> 00:05:08,469

for designing this

47

00:05:21,510 --> 00:05:11,199

emblem flag could you please sign it and

48

00:05:21,520 --> 00:05:29,510

prime crew soyuz them ir08

49

00:05:34,230 --> 00:05:31,990

look at the camera smile take the
