1
00:00:10,310 --> 00:00:06,710
less than 30 seconds now until the

2
00:00:14,070 --> 00:00:12,310
ground the auto sequence has started and

3
00:00:17,670 --> 00:00:14,080
the ground umbilical

4
00:00:23,830 --> 00:00:17,680
for the third stage and uh

5
00:00:25,670 --> 00:00:24,630
ten

6
00:00:26,710 --> 00:00:25,680
nine

7
00:00:27,509 --> 00:00:26,720
eight

8
00:00:28,470 --> 00:00:27,519
seven

9
00:00:29,429 --> 00:00:28,480
six

10
00:00:31,269 --> 00:00:29,439
five

11
00:00:32,229 --> 00:00:31,279
four three

12
00:00:44,549 --> 00:00:32,239
two

13
00:00:50,630 --> 00:00:47,270

there you see uh progress 51 lifting off

14

00:01:15,109 --> 00:00:50,640
at 5 12 a.m central time from the

15

00:01:15,119 --> 00:01:19,670
everything going as planned

16

00:01:19,680 --> 00:01:26,710
40 seconds into today's lunch

17

00:01:31,109 --> 00:01:29,109
soyuz has three stages the first has a

18

00:01:33,590 --> 00:01:31,119
four liquid engines strapped to the side

19

00:01:35,030 --> 00:01:33,600
of or vehicle

20

00:01:36,710 --> 00:01:35,040
and each of those will burn for about a

21

00:01:45,510 --> 00:01:36,720
minute and 58 seconds before they're

22

00:01:49,510 --> 00:01:47,350
everything continuing to look good as
