

1
00:00:26,670 --> 00:00:17,510
look at us please

2
00:00:26,680 --> 00:00:35,910
luka luka

3
00:00:53,830 --> 00:00:37,670
thank you

4
00:00:57,029 --> 00:00:55,110
we were just talking about it when we

5
00:00:58,389 --> 00:00:57,039
were sitting inside it today it seems

6
00:00:59,750 --> 00:00:58,399
like it's a simulator when you get in it

7
00:01:01,349 --> 00:00:59,760
looks just like the training we've been

8
00:01:02,709 --> 00:01:01,359
doing and so you when you sit there and

9
00:01:03,990 --> 00:01:02,719
you think about it and you're like wow

10
00:01:05,590 --> 00:01:04,000
this is actually the vehicle we're going

11
00:01:07,429 --> 00:01:05,600
to be riding in and it's it's a pretty

12
00:01:10,149 --> 00:01:07,439
neat feeling

13
00:01:11,590 --> 00:01:10,159

well for me it's the first time the

14

00:01:13,350 --> 00:01:11,600

idea that i'm sitting inside a

15

00:01:15,350 --> 00:01:13,360

spacecraft that was built specifically

16

00:01:17,510 --> 00:01:15,360

for me that that's my seat and in a few

17

00:01:24,230 --> 00:01:17,520

days i will be busting into space inside

18

00:01:24,240 --> 00:01:35,830

this is

19

00:01:35,840 --> 00:01:41,190

i think they want them

20

00:01:47,190 --> 00:01:44,630

the prime and the backup crews together

21

00:01:49,990 --> 00:01:47,200

next to each other

22

00:01:50,000 --> 00:02:04,230

that's right

23

00:02:09,430 --> 00:02:05,429

thank you

24

00:02:12,390 --> 00:02:09,440

i even know where to sign

25

00:02:13,110 --> 00:02:12,400

to the other side of my signature

26

00:02:14,150 --> 00:02:13,120

no

27

00:02:15,350 --> 00:02:14,160

right

28

00:02:17,589 --> 00:02:15,360

up there

29

00:02:18,470 --> 00:02:17,599

luca and karen

30

00:02:31,589 --> 00:02:18,480

and

31

00:02:31,599 --> 00:03:03,509

okay

32

00:03:03,519 --> 00:03:05,430

you me

33

00:03:05,440 --> 00:03:25,190

anger

34

00:03:30,470 --> 00:03:27,990

and it will be my gift to you

35

00:03:33,030 --> 00:03:30,480

thank you

36

00:03:36,390 --> 00:03:33,040

so this is we wanted to thank the united

37

00:03:40,070 --> 00:03:36,400

states for providing this expedition

38

00:03:43,270 --> 00:03:40,080

flag and once you sign it we're going to

39

00:03:49,110 --> 00:03:43,280

fly it till the end of the expedition

40

00:03:49,120 --> 00:03:53,670

here is one for you

41

00:04:08,949 --> 00:03:54,789

be careful
