

1
00:00:05,749 --> 00:00:02,869
i'm gonna go out on limb here and give

2
00:00:09,030 --> 00:00:05,759
the full on luca parmitano look for the

3
00:00:11,350 --> 00:00:09,040
hatch hoping ceremony so please join me

4
00:00:13,509 --> 00:00:11,360
to chris's barber shop okay so here's

5
00:00:14,549 --> 00:00:13,519
how we cut hair in space

6
00:00:17,189 --> 00:00:14,559
we have

7
00:00:19,109 --> 00:00:17,199
a standard hair trimmer but the hair

8
00:00:21,269 --> 00:00:19,119
would go all over the place so we need

9
00:00:23,830 --> 00:00:21,279
to connect it to

10
00:00:25,830 --> 00:00:23,840
our vacuum cleaner

11
00:00:27,429 --> 00:00:25,840
which

12
00:00:40,970 --> 00:00:27,439
is right here

13
00:00:44,630 --> 00:00:42,869

[Applause]

14

00:00:45,910 --> 00:00:44,640

what do you think so far should i stop

15

00:01:06,469 --> 00:00:45,920

here

16

00:01:21,700 --> 00:01:07,670

i don't think i've looked like this

17

00:01:21,710 --> 00:01:26,160

[Music]

18

00:01:30,710 --> 00:01:28,950

[Applause]

19

00:01:33,270 --> 00:01:30,720

well that's pretty

20

00:01:35,749 --> 00:01:33,280

close to what luca has going on but it's

21

00:01:39,109 --> 00:01:35,759

not quite the full parmesan look

22

00:01:47,080 --> 00:01:39,119

that's completely smooth on the top so i

23

00:01:51,109 --> 00:01:49,270

[Music]

24

00:01:55,230 --> 00:01:51,119

i wonder if he does this every day kind

25

00:02:18,390 --> 00:02:10,309

[Music]

26

00:02:20,229 --> 00:02:18,400

the full-on luca parmitano ready for my

27

00:02:23,830 --> 00:02:20,239

new crewmates so thanks for coming to
