

1
00:00:07,430 --> 00:00:04,550
hi my name is andrew morgan i'm a major

2
00:00:09,990 --> 00:00:07,440
in the united states army and i'm a 2013

3
00:00:12,390 --> 00:00:10,000
nasa astronaut candidate

4
00:00:15,270 --> 00:00:12,400
i definitely felt drawn to being

5
00:00:16,550 --> 00:00:15,280
surrounded by the people that i had been

6
00:00:19,109 --> 00:00:16,560
encountered at nasa

7
00:00:20,710 --> 00:00:19,119
and being part of the astronaut office

8
00:00:22,870 --> 00:00:20,720
being part of the

9
00:00:25,029 --> 00:00:22,880
um the astronaut corps

10
00:00:27,029 --> 00:00:25,039
was uh they're just

11
00:00:29,509 --> 00:00:27,039
an incredibly talented group of people

12
00:00:30,790 --> 00:00:29,519
and to be a part of that it would just i

13
00:00:32,150 --> 00:00:30,800

knew that that would be something

14

00:00:34,709 --> 00:00:32,160

special

15

00:00:36,389 --> 00:00:34,719

uh without a doubt that i'm really

16

00:00:39,270 --> 00:00:36,399

looking forward to meeting my classmates

17

00:00:40,869 --> 00:00:39,280

uh that's kind of my my near-term goal

18

00:00:43,110 --> 00:00:40,879

right now is to get to know them right

19

00:00:45,190 --> 00:00:43,120

away we've we've had some

20

00:00:46,950 --> 00:00:45,200

sporadic initial contact here by email

21

00:00:49,110 --> 00:00:46,960

and about i know about half of them from

22

00:00:50,790 --> 00:00:49,120

the interview process but i'm really

23

00:00:52,069 --> 00:00:50,800

eager to get together with them and meet

24

00:00:55,270 --> 00:00:52,079

the other half

25

00:00:57,270 --> 00:00:55,280

because we really want to build

26

00:01:00,790 --> 00:00:57,280

build that atmosphere of an extended
