

1  
00:00:00,506 --> 00:00:10,296  
[ Music ]

2  
00:00:10,796 --> 00:00:14,006  
>> Expedition 38 will return  
astronaut Rick Mastracchio

3  
00:00:14,006 --> 00:00:16,686  
to the International Space  
Station for the fourth time.

4  
00:00:17,356 --> 00:00:20,096  
His first three journeys were  
aboard Space Shuttles Atlantis,

5  
00:00:20,316 --> 00:00:21,666  
Endeavor, and Discovery.

6  
00:00:22,566 --> 00:00:24,136  
Rick has completed  
six spacewalks

7  
00:00:24,196 --> 00:00:25,786  
in his nearly forty  
days in space.

8  
00:00:26,976 --> 00:00:28,776  
Rick is a native of  
Waterbury, Connecticut

9  
00:00:29,056 --> 00:00:30,096  
and a father of three.

10  
00:00:30,906 --> 00:00:31,806  
He enjoys woodworking.

11  
00:00:37,536 --> 00:00:41,326  
Soyuz commander Mikhail Tyurin  
has spent 340 days in space

12

00:00:41,456 --> 00:00:43,846  
over the course of his two  
long-duration missions.

13

00:00:44,296 --> 00:00:46,206  
He has five spacewalks  
to his credit.

14

00:00:46,626 --> 00:00:48,896  
In his spare time,  
Mikhail enjoys sailing.

15

00:00:49,416 --> 00:00:50,976  
He resides in Korolev, home

16

00:00:50,976 --> 00:00:53,846  
of the Russian Federal Space  
Agency's Mission Control Center

17

00:00:54,086 --> 00:00:55,036  
and has one daughter.

18

00:00:58,166 --> 00:01:02,146  
Japan Aerospace Exploration  
Agency astronaut Dr. Koichi

19

00:01:02,146 --> 00:01:04,386  
Wakata has journeyed  
to space three times.

20

00:01:05,096 --> 00:01:07,446  
He was Japan's first  
long-duration astronaut

21

00:01:07,766 --> 00:01:10,756  
and will become Japan's first  
Space Station commander during

22

00:01:10,816 --> 00:01:11,926  
Expedition 39.

23

00:01:13,146 --> 00:01:16,926  
Koichi is a father of one and  
enjoys hang gliding, baseball,

24

00:01:17,406 --> 00:01:18,756  
tennis, and snow skiing.

25

00:01:19,896 --> 00:01:22,916  
Rick, Mikhail, and Koichi will  
launch to the Space Station
