

1  
00:00:18,150 --> 00:00:16,790  
again seeing some final farewells

2  
00:00:18,870 --> 00:00:18,160  
between

3  
00:00:22,150 --> 00:00:18,880  
the

4  
00:00:24,470 --> 00:00:22,160  
expedition 36 crew members planning to

5  
00:00:27,349 --> 00:00:24,480  
leave the space station and return to

6  
00:00:32,150 --> 00:00:29,669  
getting some hugs and handshakes from

7  
00:00:34,150 --> 00:00:32,160  
the crew they'll be leaving behind

8  
00:00:37,190 --> 00:00:34,160  
which will become expedition 37 when

9  
00:00:40,709 --> 00:00:38,709  
commander pablo vinogradov there in the

10  
00:00:42,549 --> 00:00:40,719  
center of the screen waving and on

11  
00:00:45,190 --> 00:00:42,559  
either side of him uh

12  
00:01:19,990 --> 00:00:45,200  
chris cassidy on the left and alexander

13  
00:01:23,590 --> 00:01:21,429

so that uh

14

00:01:25,190 --> 00:01:23,600

crew left behind can close the hatches

15

00:01:27,109 --> 00:01:25,200

between them and the international space

16

00:01:29,670 --> 00:01:27,119

station and prepare for the

17

00:01:34,469 --> 00:01:29,680

undocking of that vehicle in just a few

18

00:01:42,870 --> 00:01:37,429

hold on just a second i'll

19

00:01:42,880 --> 00:01:49,350

let me make it closer

20

00:01:49,360 --> 00:02:00,789

all right i'm moving in

21

00:02:27,110 --> 00:02:02,149

will you close

22

00:02:31,830 --> 00:02:29,670

soon to be official expedition 37

23

00:02:34,229 --> 00:02:31,840

commander here paul uh theodor

24

00:02:37,430 --> 00:02:34,239

yurchikhin working to close the hatch

25

00:02:39,670 --> 00:02:37,440

here on the international space station

26

00:02:42,710 --> 00:02:39,680

side of

27

00:02:45,270 --> 00:02:44,470

while the crew in the soyuz works the

28

00:02:58,790 --> 00:02:45,280

same
