

1
00:00:06,950 --> 00:00:05,269

i heard you actually

2
00:00:09,669 --> 00:00:06,960

know how to sew

3
00:00:11,910 --> 00:00:09,679

yes i do i've been sewing my mom taught

4
00:00:14,230 --> 00:00:11,920

me to sew when i was probably five or

5
00:00:15,589 --> 00:00:14,240

six years old in fact i have a shirt in

6
00:00:17,910 --> 00:00:15,599

the very first shirt i ever made which

7
00:00:19,269 --> 00:00:17,920

is tiny and i look at it now and

8
00:00:21,349 --> 00:00:19,279

impressed that i was able to do that but

9
00:00:23,029 --> 00:00:21,359

i distinctly remember you know my mom

10
00:00:24,550 --> 00:00:23,039

would be working outside and i'd come in

11
00:00:25,990 --> 00:00:24,560

the sewing machine and

12
00:00:27,990 --> 00:00:26,000

and uh

13
00:00:29,910 --> 00:00:28,000

and sew a little bit have a question run

14

00:00:33,270 --> 00:00:29,920

outside mom how do you do this so i've

15

00:00:37,110 --> 00:00:34,950

so do you think you'd sew up on the

16

00:00:39,910 --> 00:00:37,120

station i did i did take some fabric

17

00:00:41,990 --> 00:00:39,920

with me in hopes i like making quilts

18

00:00:43,350 --> 00:00:42,000

and on my shuttle flight i did pack a

19

00:00:44,470 --> 00:00:43,360

couple little pieces of fabric that i

20

00:00:46,069 --> 00:00:44,480

took and

21

00:00:47,350 --> 00:00:46,079

it was packed away i never got it out

22

00:00:49,350 --> 00:00:47,360

and so from that same allotment of

23

00:00:50,869 --> 00:00:49,360

fabric i brought

24

00:00:52,389 --> 00:00:50,879

a couple other pieces

25

00:00:54,470 --> 00:00:52,399

and some thread and needle and i'm

26
00:00:56,869 --> 00:00:54,480
hoping to you know i'm used to my sewing

27
00:00:58,869 --> 00:00:56,879
machine in an iron and so i'm not quite

28
00:01:00,790 --> 00:00:58,879
sure what i'll do with it but hopefully

29
00:01:02,470 --> 00:01:00,800
i'll get it out and and do a little bit

30
00:01:03,990 --> 00:01:02,480
of sewing in my free time just it's

31
00:01:05,030 --> 00:01:04,000
relaxing to me

32
00:01:06,789 --> 00:01:05,040
um

33
00:01:08,870 --> 00:01:06,799
so i mean i loved i would sew all day

34
00:01:11,350 --> 00:01:08,880
every day if i could i love it that much

35
00:01:13,109 --> 00:01:11,360
and so i'm hoping to to get a little bit

36
00:01:15,270 --> 00:01:13,119
of time do you like the actual sewing or

37
00:01:16,630 --> 00:01:15,280
do you like them i like the creating the

38
00:01:18,310 --> 00:01:16,640

creating

39

00:01:21,590 --> 00:01:18,320

yeah i um

40

00:01:23,350 --> 00:01:21,600

i like to do uh applique with make

41

00:01:24,789 --> 00:01:23,360

different cartoon pictures i didn't want

42

00:01:26,149 --> 00:01:24,799

to say just pictures because that sounds

43

00:01:28,469 --> 00:01:26,159

like realistic pictures and there are

44

00:01:31,270 --> 00:01:28,479

some quilts that are fantastic artwork

45

00:01:32,710 --> 00:01:31,280

and i i'm not at that level um but but i

46

00:01:34,149 --> 00:01:32,720

love to create

47

00:01:35,270 --> 00:01:34,159

and that's i think what it's mostly

48

00:01:36,870 --> 00:01:35,280

about

49

00:01:39,990 --> 00:01:36,880

and i think you'll bring you know lots

50

00:01:42,550 --> 00:01:40,000

of quilters and people who sew with you

51
00:01:44,550 --> 00:01:42,560
they'll be up there i hope so i hope so

52
00:01:46,230 --> 00:01:44,560
i would really like i would really like

53
00:01:48,069 --> 00:01:46,240
people to see that

54
00:01:49,429 --> 00:01:48,079
you know you can you can be

55
00:01:50,550 --> 00:01:49,439
have a job like this which is very

56
00:01:51,670 --> 00:01:50,560
technical

57
00:01:56,550 --> 00:01:51,680
and

58
00:01:58,310 --> 00:01:56,560
that are not well actually sewing is

59
00:02:00,709 --> 00:01:58,320
kind of technical in a way i say it's

60
00:02:01,510 --> 00:02:00,719
not but but but it actually really is

61
00:02:03,510 --> 00:02:01,520
but

62
00:02:05,429 --> 00:02:03,520
you know just

63
00:02:07,749 --> 00:02:05,439

there are people that that

64

00:02:10,389 --> 00:02:07,759

use both sides of their brains and i

65

00:02:13,350 --> 00:02:10,399

also brought up with me a sketchbook

66

00:02:15,589 --> 00:02:13,360

i've been drawing since i was

67

00:02:17,750 --> 00:02:15,599

also that age i used to i would never

68

00:02:19,589 --> 00:02:17,760

sit in front of the television

69

00:02:20,710 --> 00:02:19,599

with just sitting there watching tv i

70

00:02:22,229 --> 00:02:20,720

always had

71

00:02:24,710 --> 00:02:22,239

a piece of paper and a pencil and was

72

00:02:26,949 --> 00:02:24,720

drawing or doodling or doing something

73

00:02:28,710 --> 00:02:26,959

and i used to draw people all the time i

74

00:02:30,150 --> 00:02:28,720

haven't really done that a lot but i

75

00:02:31,990 --> 00:02:30,160

took some pencils up with me in a

76

00:02:34,470 --> 00:02:32,000

sketchbook and i'm hoping to

77

00:02:36,309 --> 00:02:34,480

spend again some of my free time
