

1  
00:00:07,156 --> 00:00:08,416  
>> Yeah it's been nice.

2  
00:00:08,686 --> 00:00:12,176  
>> Nice and warm.

3  
00:00:12,176 --> 00:00:12,716  
>> I know.

4  
00:00:14,166 --> 00:00:13,556  
>> Good morning.

5  
00:00:14,286 --> 00:00:16,336  
Hello? Good morning.

6  
00:00:17,026 --> 00:00:19,686  
Good morning.

7  
00:00:20,226 --> 00:00:23,506

10  
00:00:33,726 --> 00:00:34,876  
Good luck.

11  
00:00:36,876 --> 00:00:35,686  
Thank you.

12  
00:00:37,516 --> 00:00:39,706  
[ Talking in foreign language ]

13  
00:00:40,206 --> 00:00:40,516  
That's it.

14  
00:00:40,516 --> 00:00:40,976  
Ready.

15  
00:00:41,516 --> 00:00:48,966  
[ Talking in foreign language ]

16  
00:00:49,466 --> 00:00:52,776  
>> Hello. Good morning.

17  
00:00:52,776 --> 00:00:57,866  
Don't, we're not breathing.

18  
00:00:57,866 --> 00:00:59,446  
Try not to shake too hard.

19  
00:00:59,446 --> 00:00:59,826  
>> [Talking in foreign language]

20  
00:00:59,826 --> 00:01:06,856  
>> We don't have  
[inaudible] here.

21  
00:01:06,856 --> 00:01:07,236  
>> [Talking in foreign language]

22  
00:01:07,236 --> 00:01:09,716  
>> Let's not rush.

23  
00:01:09,866 --> 00:01:13,766  
In order let's get inside.

24  
00:01:14,296 --> 00:01:17,896  
The prime crew invites  
everybody inside.

25

00:01:18,516 --> 00:01:36,846

[ Inaudible background  
conversation ]

26

00:01:37,346 --> 00:01:41,886

>> Okay let's get it together.

27

00:01:41,886 --> 00:01:42,316

All right.

28

00:01:43,766 --> 00:01:44,976

And I'll be standing by.

29

00:01:45,516 --> 00:02:15,026

[ Talking in foreign language ]

30

00:02:15,526 --> 00:02:19,656

>> What's he doing?

31

00:02:19,796 --> 00:02:22,576

Okay shall we have  
the microphones?

32

00:02:23,026 --> 00:02:25,976

In the middle, stand  
in the middle.

33

00:02:26,516 --> 00:02:33,806

[ Talking in foreign language ]

34

00:02:34,306 --> 00:02:35,566

>> Please don't be in the way.

35

00:02:36,066 --> 00:02:40,546

Prime crew families  
should be here.

36

00:02:41,516 --> 00:02:45,856

[ Pause ]

37

00:02:46,356 --> 00:02:47,976

All right please look at me.

38

00:02:48,516 --> 00:03:01,606

[ Pause ]

39

00:03:02,106 --> 00:03:03,466

Too much. Too much.

40

00:03:03,646 --> 00:03:07,696

Too far. Okay please,  
look at me.

41

00:03:08,926 --> 00:03:09,956

And once again.

42

00:03:10,516 --> 00:03:16,626

[ Pause ]

43

00:03:17,126 --> 00:03:20,456

Should we arrange  
ourselves somehow now?

44

00:03:20,516 --> 00:03:22,616

One crew to the right,  
one crew to the left.

45

00:03:23,096 --> 00:03:25,636

Let's Photoshop it.

46

00:03:25,816 --> 00:03:27,066

Okay please look at me.

47

00:03:27,146 --> 00:03:27,736

Attention.

48

00:03:28,516 --> 00:03:33,476  
[ Clicking ]

49  
00:03:33,976 --> 00:03:34,466  
Thank you.

50  
00:03:34,466 --> 00:03:35,976  
And now the families.

51  
00:03:36,516 --> 00:03:41,516  
[ Pause ]

52  
00:03:42,016 --> 00:03:58,000  
[ Talking in foreign language ]

53  
00:03:58,296 --> 00:03:58,676  
>> Thank you.

54  
00:03:59,176 --> 00:04:00,216  
Any more questions?

55  
00:04:00,666 --> 00:04:02,066  
>> [Inaudible] TV  
for Rick Mastracchio,

56  
00:04:02,066 --> 00:04:05,366  
how will you be spending your  
days down in Baikonur now

57  
00:04:05,366 --> 00:04:06,606  
with less than two  
week to launch?

58  
00:04:06,856 --> 00:04:08,486  
>> That's a good question.

59  
00:04:08,726 --> 00:04:11,256  
On Monday we'll have a fit  
check where we'll actually put

60

00:04:11,256 --> 00:04:14,366

on our [inaudible] suits  
and climb into Soyuz vehicle

61

00:04:14,736 --> 00:04:16,876

and strap in just to see  
what that's all about.

62

00:04:17,166 --> 00:04:19,536

We have some training down  
there and we'll talk a lot

63

00:04:19,536 --> 00:04:21,726

about launch preparations  
and launch itself.

64

00:04:21,726 --> 00:04:25,926

And then of course the big  
day we'll be ready for lunch.

65

00:04:25,926 --> 00:04:26,266

>> [Talking in foreign language]

66

00:04:26,266 --> 00:04:27,686

>> Thank you.

67

00:04:27,686 --> 00:04:29,976

And what language are  
you going to speak?

68

00:04:30,516 --> 00:04:39,616

[ Talking in foreign language ]

69

00:04:40,116 --> 00:04:46,276

>> Well you know,  
the, what can I say,

70

00:04:46,276 --> 00:04:52,326

the Olympic torch is a very  
interesting thing on the station

71

00:04:52,326 --> 00:04:54,086

and it's very interesting  
to be a part of it

72

00:04:54,086 --> 00:04:59,266

and we'll do our best with  
everything entrusted to us.

73

00:04:59,266 --> 00:05:00,716

Is it something out  
of the ordinary?

74

00:05:00,716 --> 00:05:01,426

Of course.

75

00:05:02,136 --> 00:05:04,516

Are you going to take  
pictures with it?

76

00:05:04,706 --> 00:05:08,246

What are you going  
to be doing with it?

77

00:05:08,246 --> 00:05:08,313

>> [Talking in foreign language]

78

00:05:08,313 --> 00:05:11,936

>> Well we are not doing  
a space walk with it.

79

00:05:12,136 --> 00:05:16,736

We'll deliver it on  
orbit and we'll hand it

80

00:05:16,736 --> 00:05:18,436

over to the next crew.

81

00:05:19,676 --> 00:05:22,716

Is it going to be like  
a flame or just a torch?

82

00:05:22,716 --> 00:05:22,946

We'll see.

83

00:05:23,516 --> 00:05:27,996

[ Talking in foreign language ]

84

00:05:28,496 --> 00:05:29,456

>> Please move back.

85

00:05:29,496 --> 00:05:29,916

Move back.

86

00:05:30,516 --> 00:05:35,606

[ Pause ]

87

00:05:36,106 --> 00:05:36,416

>> Thank you.
