1  
00:00:14,390 --> 00:00:11,430  
the fact that the olympic torch is going

2  
00:00:17,510 --> 00:00:14,400  
to fly to the space station is very

3  
00:00:19,670 --> 00:00:17,520  
symbolic because olympic is a place

4  
00:00:22,310 --> 00:00:19,680  
where people from all over the world get

5  
00:00:24,710 --> 00:00:22,320  
together in one place and then through

6  
00:00:25,750 --> 00:00:24,720  
sports we expand or extend our

7  
00:00:29,349 --> 00:00:25,760  
friendship

8  
00:00:31,189 --> 00:00:29,359  
and iss is also a place where people

9  
00:00:33,990 --> 00:00:31,199  
from all over the world

10  
00:00:41,350 --> 00:00:34,000  
get together so he really matches

11  
00:00:46,709 --> 00:00:43,830  
so as you carry the torch to orbit i

12  
00:00:47,990 --> 00:00:46,719  
think it reminds us all of how our lives

13  
00:00:50,389 --> 00:00:48,000

are enhanced

14

00:01:13,350 --> 00:00:50,399

when all countries come together for

15

00:01:18,310 --> 00:01:15,429

and we had liftoff of the soyuz rocket

16

00:01:20,630 --> 00:01:18,320

and the tma-11m spacecraft on a truly

17

00:01:22,230 --> 00:01:20,640

olympic leap delivering three more crew

18

00:01:24,870 --> 00:01:22,240

members to the international space
