

1
00:00:05,030 --> 00:00:03,510
so right here you can see uh in the

2
00:00:06,710 --> 00:00:05,040
foreground the three departing crew

3
00:00:09,110 --> 00:00:06,720
members uh sergey ryzansky on the left

4
00:00:11,110 --> 00:00:09,120
there oleg kotov in the middle and uh

5
00:00:13,990 --> 00:00:11,120
just floating to the back in the gray

6
00:00:15,589 --> 00:00:14,000
jumpsuit is mike hopkins

7
00:00:17,109 --> 00:00:15,599
so right here you can see uh in the

8
00:00:18,790 --> 00:00:17,119
foreground the three departing crew

9
00:00:21,189 --> 00:00:18,800
members uh sergey ryazanskiy on the left

10
00:00:23,189 --> 00:00:21,199
there oleg kotov in the middle and uh

11
00:00:25,349 --> 00:00:23,199
just floating to the back uh in the gray

12
00:00:27,029 --> 00:00:25,359
jumpsuit is mike hopkins

13
00:00:29,429 --> 00:00:27,039

the three were loading into their soyuz

14

00:00:31,589 --> 00:00:29,439

tma-10m spacecraft

15

00:00:35,990 --> 00:00:31,599

see mike hopkins nasa astronaut giving a

16

00:00:40,790 --> 00:00:38,549

the astronauts loading into the craft uh

17

00:00:43,510 --> 00:00:40,800

this view from inside the poisk module

18

00:00:44,790 --> 00:00:43,520

in the russian segment rozanski will be

19

00:00:47,270 --> 00:00:44,800

uh in the

20

00:00:49,670 --> 00:00:47,280

uh left seat of the craft hopkins in the

21

00:00:51,910 --> 00:00:49,680

right seat and in the center will be

22

00:00:54,229 --> 00:00:51,920

departing expedition 38 commander oleg

23

00:00:56,470 --> 00:00:54,239

kotov giving a quick hug there to koichi

24

00:00:58,310 --> 00:00:56,480

wakata the now commander of the

25

00:01:01,270 --> 00:00:58,320

international space station will remain

26

00:01:03,430 --> 00:01:01,280

on board for expedition 39

27

00:01:07,510 --> 00:01:03,440

kotov now they're moving into the

28

00:01:11,190 --> 00:01:09,270

you can see some of the soka launch and

29

00:01:13,030 --> 00:01:11,200

entry suits tucked just to the lower

30

00:01:15,270 --> 00:01:13,040

left of the craft

31

00:01:16,630 --> 00:01:15,280

there kotov fromzanski giving the final

32

00:01:18,630 --> 00:01:16,640

wave goodbye

33

00:01:20,469 --> 00:01:18,640

before kotov

34

00:01:22,469 --> 00:01:20,479

will now reach up and

35

00:01:25,270 --> 00:01:22,479

prepare that hatchway for its final

36

00:01:30,710 --> 00:01:27,510

this happening uh earlier this afternoon

37

00:01:32,950 --> 00:01:30,720

at 3 58 p.m central time you see kotov

38

00:01:34,230 --> 00:01:32,960

on the left mike hopkins in the middle a

39

00:01:35,830 --> 00:01:34,240

little towards the back and sergey

40

00:01:38,069 --> 00:01:35,840

ryazanskiy on the right

41

00:01:39,830 --> 00:01:38,079

waving goodbye to mikhail turin rick

42

00:01:41,590 --> 00:01:39,840

mastracchio and kirisha akata will

43

00:01:43,670 --> 00:01:41,600

remain on board

44

00:01:45,990 --> 00:01:43,680

now the craft conducting a series of

45

00:01:48,069 --> 00:01:46,000

leak checks the crews on board ensuring

46

00:01:49,910 --> 00:01:48,079

the integrity of their spacecraft as

47

00:01:51,990 --> 00:01:49,920

they continue to move towards the next

48

00:01:53,429 --> 00:01:52,000

major milestone of tonight's events

49

00:01:55,350 --> 00:01:53,439

which will be the undocking of that
