

1
00:00:09,840 --> 00:00:26,070

is

2
00:00:26,080 --> 00:00:57,590

foreign

3
00:01:02,069 --> 00:00:59,189

steve what is it like seeing your

4
00:01:03,430 --> 00:01:02,079

spacecraft ready to play it's great yeah

5
00:01:05,109 --> 00:01:03,440

it's looking great inside there

6
00:01:08,149 --> 00:01:05,119

everything's wonderful i'm just looking

7
00:01:13,590 --> 00:01:10,310

so first of all

8
00:01:16,550 --> 00:01:13,600

as a commander of the vehicle i'd like

9
00:01:19,350 --> 00:01:16,560

to express my gratitude to everybody who

10
00:01:23,350 --> 00:01:19,360

prepared this vehicle for flight

11
00:01:26,630 --> 00:01:24,390

and

12
00:01:29,910 --> 00:01:26,640

i'm very grateful

13
00:01:32,630 --> 00:01:29,920

thank you very much for the spacecraft

14

00:01:35,990 --> 00:01:32,640

the spacecraft is fully ready

15

00:01:36,000 --> 00:01:53,270

thank you very much

16

00:02:15,190 --> 00:01:55,590

this is uh an outstanding exhibit and

17

00:02:44,710 --> 00:02:33,110

look here please

18

00:02:44,720 --> 00:02:58,550

uh

19

00:03:00,790 --> 00:02:59,830

it's definitely different being a prime

20

00:03:02,550 --> 00:03:00,800

crew because you're getting ready to

21

00:03:04,229 --> 00:03:02,560

launch soon but it's also just nice to

22

00:03:06,630 --> 00:03:04,239

be in a place like this that

23

00:03:07,750 --> 00:03:06,640

has so much history to it and i mean

24

00:03:10,070 --> 00:03:07,760

when they talk about you know spook

25

00:03:11,670 --> 00:03:10,080

nicholas here and uh yuri gagarin you

26

00:03:13,030 --> 00:03:11,680

know it was out of here all that kind of

27

00:03:13,830 --> 00:03:13,040

history is just amazing and to be part

28

00:03:15,030 --> 00:03:13,840

of that

29

00:03:17,670 --> 00:03:15,040

it's just a great feeling i really

30

00:03:20,869 --> 00:03:17,680

appreciate the whole thing

31

00:03:23,430 --> 00:03:20,879

now great applause our tele spectators
