

1  
00:00:06,869 --> 00:00:04,230  
i'm joined here inside mission control

2  
00:00:09,669 --> 00:00:06,879  
by my colleague in public affairs that's

3  
00:00:12,150 --> 00:00:09,679  
megan sumner megan is actually going to

4  
00:00:15,190 --> 00:00:12,160  
serve as the media lead

5  
00:00:17,430 --> 00:00:15,200  
for the next destination station voyage

6  
00:00:21,429 --> 00:00:17,440  
if you will and that voyage is to uh

7  
00:00:22,310 --> 00:00:21,439  
indianapolis indiana so megan joins me

8  
00:00:24,790 --> 00:00:22,320  
to

9  
00:00:26,310 --> 00:00:24,800  
talk a little bit about that and uh so

10  
00:00:29,349 --> 00:00:26,320  
we're glad to have you here thanks for

11  
00:00:31,910 --> 00:00:29,359  
joining me glad to be here so ls tell us

12  
00:00:34,709 --> 00:00:31,920  
about you know from los angeles to

13  
00:00:36,229 --> 00:00:34,719

indianapolis tell us what's planned

14

00:00:37,910 --> 00:00:36,239

all right so

15

00:00:40,869 --> 00:00:37,920

we actually have some people already in

16

00:00:43,110 --> 00:00:40,879

indianapolis we had an event last night

17

00:00:44,869 --> 00:00:43,120

one of the z2 spacesuit engineers was

18

00:00:46,310 --> 00:00:44,879

there speaking along with a nasa

19

00:00:47,910 --> 00:00:46,320

photographer

20

00:00:50,229 --> 00:00:47,920

that went really well for the rest of

21

00:00:53,270 --> 00:00:50,239

the week we have education events

22

00:00:55,029 --> 00:00:53,280

research events public events

23

00:00:57,990 --> 00:00:55,039

all the way through may 2nd

24

00:00:59,670 --> 00:00:58,000

lots of things planned yeah but what

25

00:01:02,069 --> 00:00:59,680

we'll talk a little bit about what

26

00:01:03,830 --> 00:01:02,079

people actually can see that that that

27

00:01:05,350 --> 00:01:03,840

actually can have the opportunity to go

28

00:01:09,429 --> 00:01:05,360

there

29

00:01:12,070 --> 00:01:09,439

exhibit that is at the indiana state

30

00:01:13,990 --> 00:01:12,080

museum and it's going to be there until

31

00:01:15,830 --> 00:01:14,000

june 29th

32

00:01:18,070 --> 00:01:15,840

we also have a traveling exhibit called

33

00:01:20,390 --> 00:01:18,080

the driven to explore trailer

34

00:01:22,789 --> 00:01:20,400

and that is going to go throughout the

35

00:01:25,590 --> 00:01:22,799

city until may 2nd when we are there

36

00:01:27,590 --> 00:01:25,600

it's going to be completely staffed

37

00:01:29,429 --> 00:01:27,600

many different locations

38

00:01:30,710 --> 00:01:29,439

throughout the 10 days that we are in

39

00:01:32,390 --> 00:01:30,720

indy

40

00:01:34,550 --> 00:01:32,400

and then they can also see astronaut

41

00:01:36,469 --> 00:01:34,560

presentations we'll have lots of

42

00:01:38,069 --> 00:01:36,479

different activities train like an

43

00:01:39,510 --> 00:01:38,079

astronaut which is

44

00:01:42,230 --> 00:01:39,520

where kids get to come out and do

45

00:01:43,190 --> 00:01:42,240

activities that are similar to astronaut

46

00:01:45,910 --> 00:01:43,200

training

47

00:01:47,749 --> 00:01:45,920

wow that's going to be a busy busy time

48

00:01:49,510 --> 00:01:47,759

it will be so who

49

00:01:51,670 --> 00:01:49,520

who you mentioned people are already up

50

00:01:53,510 --> 00:01:51,680

there but who all from nasa is actually

51  
00:01:54,789 --> 00:01:53,520  
going to take part in this i guess nasa

52  
00:01:55,670 --> 00:01:54,799  
contractor

53  
00:01:58,709 --> 00:01:55,680  
teams

54  
00:02:01,590 --> 00:01:58,719  
so we'll have three um astronauts coming

55  
00:02:03,190 --> 00:02:01,600  
and that's scott tingle serena anan and

56  
00:02:04,630 --> 00:02:03,200  
anna fisher so we'll have three

57  
00:02:06,630 --> 00:02:04,640  
astronauts doing presentations

58  
00:02:08,710 --> 00:02:06,640  
throughout the week and visiting doing

59  
00:02:10,710 --> 00:02:08,720  
autographs and activities with the kids

60  
00:02:12,470 --> 00:02:10,720  
and the general public and the research

61  
00:02:13,990 --> 00:02:12,480  
community and then we'll also have

62  
00:02:16,070 --> 00:02:14,000  
several scientists coming from the

63  
00:02:18,150 --> 00:02:16,080

program science office as well as the

64

00:02:19,270 --> 00:02:18,160

nasa public affairs staff

65

00:02:21,030 --> 00:02:19,280

great

66

00:02:23,510 --> 00:02:21,040

we just saw the

67

00:02:26,470 --> 00:02:23,520

one of the hashtags for the for twitter

68

00:02:29,830 --> 00:02:26,480

followers to uh to follow along with the

69

00:02:31,190 --> 00:02:29,840

uh the activities in indy um obviously

70

00:02:32,150 --> 00:02:31,200

we had do we have some we have some

71

00:02:34,790 --> 00:02:32,160

other

72

00:02:37,030 --> 00:02:34,800

social media type activities or sites

73

00:02:39,589 --> 00:02:37,040

that people can follow along with

74

00:02:42,550 --> 00:02:39,599

absolutely yeah follow us on

75

00:02:44,470 --> 00:02:42,560

dsnd we'll be posting on twitter at nasa

76  
00:02:47,190 --> 00:02:44,480  
underscore johnson and we also have a

77  
00:02:49,750 --> 00:02:47,200  
destination station instagram so that's

78  
00:02:51,270 --> 00:02:49,760  
just nasa underscore destination station

79  
00:02:53,110 --> 00:02:51,280  
so you can follow us on instagram as

80  
00:02:54,630 --> 00:02:53,120  
well throughout the week and follow all

81  
00:02:56,790 --> 00:02:54,640  
the activities going on through next

82  
00:02:59,670 --> 00:02:56,800  
friday oh great so for everybody out

83  
00:03:02,309 --> 00:02:59,680  
there if you have the opportunity to

84  
00:03:04,869 --> 00:03:02,319  
be in that area sure be sure to stop by

85  
00:03:06,710 --> 00:03:04,879  
absolutely and say hi to uh megan and

86  
00:03:08,470 --> 00:03:06,720  
the rest of the team that uh that's
