

PORT

NOD 2

7

1
00:00:05,990 --> 00:00:04,309
hi i'm steve swanson nasa flight

2
00:00:07,990 --> 00:00:06,000
engineer aboard the international space

3
00:00:11,430 --> 00:00:08,000
station and i'm from steamboat springs

4
00:00:20,710 --> 00:00:13,830
and i'm rick mastracchio nasa astronaut

5
00:00:24,790 --> 00:00:22,390
we live in houston when we're not in

6
00:00:27,109 --> 00:00:24,800
space and we know that the nfl draft has

7
00:00:29,589 --> 00:00:27,119
gotten so big you guys literally had to

8
00:00:33,190 --> 00:00:29,599
extend your coverage to us 260 miles

9
00:00:37,590 --> 00:00:35,430
and because houston has the number one

10
00:00:39,350 --> 00:00:37,600
overall pick we thought it might make

11
00:00:45,029 --> 00:00:39,360
sense to kick off your coverage and to

12
00:00:50,229 --> 00:00:48,470
so rich mooch marshall michael and mike

13
00:00:53,350 --> 00:00:50,239

have a great show tonight we'll be

14

00:00:57,830 --> 00:00:55,430

and it's about time for you guys to lift
