

1
00:00:23,259 --> 00:00:29,040
three two one

2
00:00:33,959 --> 00:00:32,140
and liftoff of the Falcon 9 rocket and

3
00:00:36,670 --> 00:00:33,969
dragon

4
00:00:39,010 --> 00:00:36,680
SpaceX continues America's mission to

5
00:01:55,760 --> 00:00:39,020
resupply the International Space Station

6
00:01:55,770 --> 00:02:06,880
go Antares go 63

7
00:02:11,810 --> 00:02:09,889
now we have liftoff of Antares beginning

8
00:02:14,090 --> 00:02:11,820
the journey of the G David Lough Cygnus

9
00:03:43,380 --> 00:02:14,100
cargo vehicle to the International Space

10
00:03:47,200 --> 00:03:45,520
so cygnus bids farewell to the

11
00:03:50,230 --> 00:03:47,210
International Space Station release

12
00:03:51,790 --> 00:03:50,240
confirmed at 631 a.m. central time once

13
00:03:55,140 --> 00:03:51,800

again the two vehicles were high above

14

00:03:57,850 --> 00:03:55,150

the Atlantic Ocean station Houston
