a village

14

00:00:37,570 --> 00:00:36,020

marcel is the experience and what more

15

00:00:39,400 --> 00:00:37,580

than their that here is a device a

16

00:00:41,830 --> 00:00:39,410

warehouse and space with the differences this

17

00:00:44,440 --> 00:00:41,840

project i hollow charge and micromanage

18

00:00:47,500 --> 00:00:44,450

i am here hexagon elisa beret set

19

00:00:49,120 --> 00:00:47,510

shadows help team and lori the the

20

00:00:50,440 --> 00:00:49,130

upgrade will be millions of points less

21

00:00:53,470 --> 00:00:50,450

spin effect

22

00:00:56,560 --> 00:00:53,480

the media well the least all sign up

flight controls the share information ow

24

00:01:02,319 --> 00:00:58,370

the demo table the atmosphere on a girl me

25

00:01:05,560 --> 00:01:02,329

for you it with more fish and operations

26

00:01:08,020 --> 00:01:05,570

the console had to age flight or to

27

00:01:10,780 --> 00:01:08,030

a very specific up-to-date something like that

28

00:01:14,650 --> 00:01:10,790

barrymore after the woodbury vault with take

29

00:01:17,139 --> 00:01:14,660

support it with der jumpy is and

30

00:01:18,490 --> 00:01:17,149

ride em to the systems and the tools

31

00:01:21,510 --> 00:01:18,500

the hardware

32

00:01:24,130 --> 00:01:21,520

the museonder consoles

33

00:01:25,960 --> 00:01:24,140

vdm and online holding pushing him jihad

34

00:01:27,550 --> 00:01:25,970

in a today

35

00:01:30,700 --> 00:01:27,560

what is the particular infrastructure and

36

00:01:37,050 --> 00:01:30,710

falls the infrastructure behind' is my

37

00:01:41,139 --> 00:01:37,060

arm network and system that span you already

38

00:01:43,419 --> 00:01:41,149

after eleven hours die spawner too dom

39

00:01:46,590 --> 00:01:43,429

communicating and working within this

40

00:01:48,999 --> 00:01:46,600

time they also have

41

00:01:51,900 --> 00:01:49,009

you report all the worlds

42

00:01:55,840 --> 00:01:51,910

international partners hello developers

43

00:01:57,340 --> 00:01:55,850

university student so the infrastructure

44

00:01:59,800 --> 00:01:57,350

and the networks in the systems and

45

00:02:02,919 --> 00:01:59,810

replaced and while they moved to work

46

00:02:05,949 --> 00:02:02,929

with turk new gate and

47

00:02:09,430 --> 00:02:05,959

clinic he did small control toilet door

48

00:02:13,270 --> 00:02:09,440

and push it in in the most efficient way

d'evacuation de flight jcvan control

69

00:03:08,190 --> 00:03:05,180

teamgame to this end marshall and at

70

00:03:09,850 --> 00:03:08,200

operator addresses sorry for om a spar

71

00:03:12,699 --> 00:03:09,860

bass-d

72

00:03:17,440 --> 00:03:12,709

executed how well i roll up towns die

73

00:03:19,810 --> 00:03:17,450

went progress and thats things beautiful he

74

00:03:21,850 --> 00:03:19,820

added the capability for these for

75

00:03:25,900 --> 00:03:21,860

international partners to continue their

76

00:03:29,130 --> 00:03:25,910

doen in in a number that situation and

77

00:03:32,350 --> 00:03:29,140

hit gass within capability the tube

78

00:03:34,449 --> 00:03:32,360

marshall and and johnson and within find

79

00:03:36,759 --> 00:03:34,459

the forum the flight controllers the

80

00:03:39,970 --> 00:03:36,769

headset dee dee feel like they were on

81

00:03:42,610 --> 00:03:39,980

there after position at home in mission

82

00:03:45,660 --> 00:03:42,620

control and chooses and certificates and eds

83

00:03:49,030 --> 00:03:45,670

eds and this year i go to

84

00:03:51,789 --> 00:03:49,040

update and refreshen on the hardware and

85

00:03:54,130 --> 00:03:51,799

filmed systems that support the back-up

86

00:03:56,199 --> 00:03:54,140

controls and there is so by the father

87

00:03:58,930 --> 00:03:56,209

training flight controllers come here

88

00:04:01,720 --> 00:03:58,940

sinan console with shirley de interfaces

89

00:04:03,580 --> 00:04:01,730

for operational ready wie certified

90

00:04:06,580 --> 00:04:03,590

metro nice en with display for toes

91

00:04:11,070 --> 00:04:06,590

and life or upgrade flash dit dessert of

92

00:04:13,380 --> 00:04:11,080

business law the steps kind 2015 zo je

93

00:04:15,540 --> 00:04:13,390

je je website kun en cimic soonieus

94

00:04:17,040 --> 00:04:15,550

speedy j be ready and preparing for next

95

00:04:18,000 --> 00:04:17,050

year

96

00:04:20,310 --> 00:04:18,010

you got him i would be again

97

00:04:24,720 --> 00:04:20,320

international antarctica marshall carter usa

98

00:04:26,010 --> 00:04:24,730

absolutely sdc.com sns choose your app that give

99

00:04:28,830 --> 00:04:26,020

him the backup controls and

100

00:04:29,970 --> 00:04:28,840

capability zoey how you want or working

101  
00:04:31,920 --> 00:04:29,980  
on december

102  
00:04:34,920 --> 00:04:31,930  
jtm incorporated

103  
00:04:38,970 --> 00:04:34,930  
and there in poland present for space x

104  
00:04:41,130 --> 00:04:38,980  
will also enable s2 support them if there

105  
00:04:44,280 --> 00:04:41,140  
were in the merger very tight

106  
00:04:46,710 --> 00:04:44,290  
legs hearts warm and earthquake

107  
00:04:49,470 --> 00:04:46,720  
they would still have access to er doen

108  
00:04:51,210 --> 00:04:49,480  
and also to and beautiful systems

109  
00:04:53,880 --> 00:04:51,220  
communication system

110  
00:04:56,280 --> 00:04:53,890  
so i think can bear glasses in poland

111  
00:04:58,440 --> 00:04:56,290  
and at the lot edition 2 the backup

112  
00:05:00,600 --> 00:04:58,450  
control center capability and i'm going the

113  
00:05:02,210 --> 00:05:00,610

bbq wish a bucket exactly how you
