

1
00:00:08,710 --> 00:00:06,550
sasha and elena

2
00:00:10,470 --> 00:00:08,720
are not only my crew members but they're

3
00:00:12,150 --> 00:00:10,480
also my friends

4
00:00:14,070 --> 00:00:12,160
for two years we've trained all over the

5
00:00:16,150 --> 00:00:14,080
globe together they've been to my home

6
00:00:18,070 --> 00:00:16,160
we've broken bread together and like

7
00:00:20,630 --> 00:00:18,080
sasha said there are situations in the

8
00:00:22,950 --> 00:00:20,640
place we're going where literally my

9
00:00:23,830 --> 00:00:22,960
life is in their hands and theirs in

10
00:00:27,429 --> 00:00:23,840
mine

11
00:00:30,390 --> 00:00:27,439
and we must have a very special trust of

12
00:00:32,630 --> 00:00:30,400
each other to go there and do things

13
00:00:34,709 --> 00:00:32,640

that hopefully eventually will be a

14

00:00:36,389 --> 00:00:34,719

benefit for all mankind yes there are

15

00:00:38,549 --> 00:00:36,399

issues that take place around the world

16

00:00:41,430 --> 00:00:38,559

and around the globe and between nations

17

00:00:43,990 --> 00:00:41,440

but both of our nations have tasked us

18

00:00:45,510 --> 00:00:44,000

with a certain specific goals and that's

19

00:00:47,110 --> 00:00:45,520

what we've been marching to like i said

20

00:00:48,549 --> 00:00:47,120

for the two years we've been training

21

00:00:56,310 --> 00:00:48,559

and what we'll continue to do while

22

00:00:56,320 --> 00:00:59,430

and

23

00:01:07,830 --> 00:01:01,270

you see the lake of hunga that's where

24

00:01:07,840 --> 00:01:13,510

see look this is the type of space suit

25

00:01:16,310 --> 00:01:14,630

see the

26
00:01:44,069 --> 00:01:16,320
mask and the helmets all included

27
00:01:44,079 --> 00:02:05,910
perfect

28
00:02:09,830 --> 00:02:07,670
i'm grateful to be at this point this is

29
00:02:11,670 --> 00:02:09,840
a culmination of two and a half years

30
00:02:13,990 --> 00:02:11,680
of training

31
00:02:15,750 --> 00:02:14,000
and to be at this point training

32
00:02:17,270 --> 00:02:15,760
complete we've got a few weeks to rest

33
00:02:19,030 --> 00:02:17,280
before launch and to have the

34
00:02:20,630 --> 00:02:19,040
opportunity to come to come here on a

35
00:02:22,869 --> 00:02:20,640
beautiful day

36
00:02:24,390 --> 00:02:22,879
to be inside the kremlin a place uh when

37
00:02:26,470 --> 00:02:24,400
i was a kid i would have never dreamed

38
00:02:28,630 --> 00:02:26,480

i'd be standing right here it's it's fat
