

1
00:02:26,480 --> 00:02:24,500
back within cabin views of the crew

2
00:02:28,340 --> 00:02:26,490
inside the Soyuz doesn't make sense away

3
00:02:31,130 --> 00:02:28,350
now two and a half minutes into flight

4
00:02:34,280 --> 00:02:31,140
still seeing alexander samokutyaev on

5
00:02:38,750 --> 00:02:34,290
the bottom left-hand side and elena

6
00:02:41,690 --> 00:02:38,760
serova on the top right and there a view

7
00:02:43,490 --> 00:02:41,700
of butch wilmore inside the soyuz and

8
00:02:46,670 --> 00:02:43,500
again the toy rabbit that's going to

9
00:02:54,320 --> 00:02:46,680
indicate when the crew has made it into

10
00:02:56,540 --> 00:02:54,330
microgravity about the first 30 seconds

11
00:02:58,610 --> 00:02:56,550
and then lost the Soyuz behind the

12
00:03:00,410 --> 00:02:58,620
dragon but we are happy to be watching

13
00:03:02,060 --> 00:03:00,420

NASA TV and see these guys safely in
