

 @astro\_reid

1  
00:00:09,270 --> 00:00:07,269  
my name is emily hartley and i'm from

2  
00:00:11,589 --> 00:00:09,280  
weatherford oklahoma i go to school at

3  
00:00:14,230 --> 00:00:11,599  
southwestern oklahoma state university

4  
00:00:17,189 --> 00:00:14,240  
and my question for you is what is your

5  
00:00:19,189 --> 00:00:17,199  
favorite thing about being in space

6  
00:00:20,710 --> 00:00:19,199  
well i can't answer that with just one

7  
00:00:22,390 --> 00:00:20,720  
answer i would say

8  
00:00:24,470 --> 00:00:22,400  
without a doubt floating is just

9  
00:00:26,230 --> 00:00:24,480  
absolutely fantastic so to be up here

10  
00:00:27,509 --> 00:00:26,240  
and and and have slipped away from

11  
00:00:28,790 --> 00:00:27,519  
gravity

12  
00:00:31,349 --> 00:00:28,800  
at least the way i feel it it's

13  
00:00:32,870 --> 00:00:31,359

fantastic and then without a doubt

14

00:00:34,950 --> 00:00:32,880

getting to look down on our beautiful

15

00:00:37,190 --> 00:00:34,960

planet that just captivates you every
