1  
00:00:10,150 --> 00:00:07,909  
hi my name is chelsea mawson and i'm

2  
00:00:12,709 --> 00:00:10,160  
from weatherford oklahoma

3  
00:00:14,789 --> 00:00:12,719  
and my question is what is one piece of

4  
00:00:16,790 --> 00:00:14,799  
advice you would give to students

5  
00:00:18,710 --> 00:00:16,800  
dreaming of becoming involved in nasa's

6  
00:00:20,310 --> 00:00:18,720  
space program

7  
00:00:22,470 --> 00:00:20,320  
well if it's a dream to become involved

8  
00:00:24,070 --> 00:00:22,480  
in nasa space program i say pursue it if

9  
00:00:25,589 --> 00:00:24,080  
that's something you want to do you got

10  
00:00:28,230 --> 00:00:25,599  
to reach out there and try to grab that

11  
00:00:30,550 --> 00:00:28,240  
dream and so nasa it's not just six

12  
00:00:32,549 --> 00:00:30,560  
astronauts up on the space station it's

13  
00:00:35,350 --> 00:00:32,559

control centers around the world flight

14

00:00:36,870 --> 00:00:35,360

control teams engineering support and so

15

00:00:39,510 --> 00:00:36,880

there are thousands of people working to

16

00:00:41,510 --> 00:00:39,520

make this dream come true for us up here

17

00:00:43,750 --> 00:00:41,520

and if we can have more folks coming in
