00:00:11,030 --> 00:00:09,110
hello my name is kyla reisenberger from

2
00:00:12,789 --> 00:00:11,040
hydro oklahoma

3
00:00:15,669 --> 00:00:12,799
when you were in school was there a

4
00:00:17,349 --> 00:00:15,679
teacher that inspired you to be who you

5
00:00:19,029 --> 00:00:17,359
are today

6
00:00:21,029 --> 00:00:19,039
i had a lot of great teachers growing up

7
00:00:23,189 --> 00:00:21,039
and there were a few at high school that

8
00:00:25,189 --> 00:00:23,199
uh that were inspirational but the thing

9
00:00:27,029 --> 00:00:25,199
that teachers really did for me when i

10
00:00:29,189 --> 00:00:27,039
was a kid especially is they just kept

11
00:00:30,710 --> 00:00:29,199
me going down the correct path and and

12
00:00:32,389 --> 00:00:30,720
if i started to deviate they would try

13
00:00:34,549 --> 00:00:32,399

to just nudge me back in and for that i

14

00:00:36,790 --> 00:00:34,559

have to give them a huge thank you

15

00:00:38,150 --> 00:00:36,800

i ended up loving science and it was

16

00:00:39,670 --> 00:00:38,160

really just because of some of the

17

00:00:41,590 --> 00:00:39,680

nudges that those teachers gave me and

18

00:00:43,830 --> 00:00:41,600

then i went on to college and in the u.s

19

00:00:45,910 --> 00:00:43,840

navy and now at nasa and really if i
