1
00:00:09,669 --> 00:00:07,430
hi we're librarians from the seattle

2
00:00:11,669 --> 00:00:09,679
public library maybe you saw us this

3
00:00:13,990 --> 00:00:11,679
morning when you flew over at 5 48 we

4
00:00:16,070 --> 00:00:14,000
were all waving to you so you've seen

5
00:00:17,670 --> 00:00:16,080
the world in a way few of us have can

6
00:00:20,230 --> 00:00:17,680
you tell us about a book that also

7
00:00:21,910 --> 00:00:20,240
changed the way you viewed the world

8
00:00:25,750 --> 00:00:21,920
thank you thank you

9
00:00:30,550 --> 00:00:27,990
that's a great question so let me start

10
00:00:32,549 --> 00:00:30,560
with the book that really changed me i

11
00:00:34,950 --> 00:00:32,559
wasn't much of a reader as a kid growing

12
00:00:36,870 --> 00:00:34,960
up unfortunately but

13
00:00:38,709 --> 00:00:36,880

right when i hit about my teenage years

14

00:00:40,790 --> 00:00:38,719

there was a book that had just come out

15

00:00:42,709 --> 00:00:40,800

on the bestseller list and my dad gave

16

00:00:44,470 --> 00:00:42,719

it to me when we were on vacation and it

17

00:00:46,229 --> 00:00:44,480

was called jurassic park

18

00:00:48,389 --> 00:00:46,239

and that book

19

00:00:49,990 --> 00:00:48,399

for me it just changed the way i felt

20

00:00:52,389 --> 00:00:50,000

about books and it also changed the way

21

00:00:53,750 --> 00:00:52,399

my imagination worked and so as i read

22

00:00:55,750 --> 00:00:53,760

through that book that was really the

23

00:00:57,910 --> 00:00:55,760

first book i read as a kid

24

00:00:59,270 --> 00:00:57,920

and it changed me i got to the last page

25

00:01:00,950 --> 00:00:59,280

of that book i turned right back to the

26

00:01:02,869 --> 00:01:00,960

first page and i read that whole book

27

00:01:04,789 --> 00:01:02,879

again and it really just brought the

28

00:01:06,310 --> 00:01:04,799

wonder of reading into me and every

29

00:01:09,109 --> 00:01:06,320

night when i go to bed my bedroom's

30

00:01:10,469 --> 00:01:09,119

right back there uh i have a book and

31

00:01:12,230 --> 00:01:10,479

that's how that's how i spend about a

32

00:01:14,310 --> 00:01:12,240

half an hour before i go to sleep so i
