terry and i just sharpened our pencils

4  
00:00:10,310 --> 00:00:07,839  
and we did a little calculating and we

5  
00:00:13,509 --> 00:00:10,320  
figured that we will be over midnight

6  
00:00:15,350 --> 00:00:13,519  
somewhere over the earth 16 times

7  
00:00:17,670 --> 00:00:15,360  
throughout this day so we plan to

8  
00:00:19,349 --> 00:00:17,680  
celebrate new year 16 times with our

9  
00:00:20,710 --> 00:00:19,359  
comrades our people down on earth that

10  
00:00:22,070 --> 00:00:20,720  
are doing it at that very moment so

11  
00:00:25,349 --> 00:00:22,080  
we're going to do the same thing that's

12  
00:00:30,550 --> 00:00:27,349  
and we want to wish everybody a happy
