

1
00:00:27,670 --> 00:00:24,470
okay are you ready

2
00:00:27,680 --> 00:00:47,670
watch watch your step

3
00:00:47,680 --> 00:00:53,830
all right

4
00:00:53,840 --> 00:01:10,149
okay

5
00:01:16,070 --> 00:01:12,310
and here are the mature skadolls that

6
00:01:22,710 --> 00:01:18,149
and this is also a tradition that we

7
00:01:26,310 --> 00:01:24,630
well on behalf of nasa let me first of

8
00:01:27,830 --> 00:01:26,320
all just congratulate alexander and

9
00:01:36,630 --> 00:01:27,840
elena on completing your mission a

10
00:01:40,069 --> 00:01:38,230
before coming to this press conference i

11
00:01:42,069 --> 00:01:40,079
was visiting the barrie he's on the nasa

12
00:01:43,830 --> 00:01:42,079
airplane he's doing well just to take a

13
00:01:52,830 --> 00:01:43,840

little time to get adjusted to his earth

14

00:01:58,149 --> 00:01:55,910

again but he passes on his warm wishes

15

00:01:59,590 --> 00:01:58,159

to karaganda and kazakhstan as well as

16

00:02:15,990 --> 00:01:59,600

the rescue forces that have helped

17

00:02:20,229 --> 00:02:18,309

thank you very much to everyone for

18

00:02:44,470 --> 00:02:20,239

participating congratulations one more

19

00:03:01,270 --> 00:02:47,110
