

1
00:00:18,390 --> 00:00:11,350
and rub it in again kind of working it

2
00:00:21,429 --> 00:00:20,070
and i like to take my towel while i have

3
00:00:23,189 --> 00:00:21,439
the shampoo

4
00:00:24,870 --> 00:00:23,199
in there and just kind of

5
00:00:27,109 --> 00:00:24,880
work it

6
00:00:27,990 --> 00:00:27,119
because without standing under running

7
00:00:29,429 --> 00:00:28,000
water

8
00:00:31,189 --> 00:00:29,439
you kind of need to use the towel a

9
00:00:36,709 --> 00:00:31,199
little bit to help get some of the dirt

10
00:00:36,719 --> 00:00:47,830
and that's it thank you

11
00:00:47,840 --> 00:00:51,830
there's a great sleeping bag

12
00:00:56,549 --> 00:00:53,910
and what's really cool about it

13
00:00:59,830 --> 00:00:56,559

is we can zip it up

14

00:01:01,910 --> 00:00:59,840

and then we have little armholes

15

00:01:03,110 --> 00:01:01,920

what's on the menu tonight strawberry

16

00:01:04,630 --> 00:01:03,120

shortcake

17

00:01:06,310 --> 00:01:04,640

these butter cookies

18

00:01:08,390 --> 00:01:06,320

and some strawberries with a little bit

19

00:01:09,830 --> 00:01:08,400

of milk on top

20

00:01:13,190 --> 00:01:09,840

and chris i'm gonna make one for you

21

00:01:17,030 --> 00:01:15,429

and here's your strawberry shortcake

22

00:01:21,270 --> 00:01:17,040

ready for you chris

23

00:01:21,280 --> 00:01:34,550

thanks for the help chris

24

00:01:34,560 --> 00:01:51,910

more okay i'm gonna toss this

25

00:01:56,469 --> 00:01:52,830

this

26

00:01:58,550 --> 00:01:56,479

works usually

27

00:02:00,630 --> 00:01:58,560

with the honey coming out pretty well

28

00:02:12,869 --> 00:02:00,640

there there we go

29

00:02:16,070 --> 00:02:14,229

might have to use that as well we've had

30

00:02:18,070 --> 00:02:16,080

to use that one time which is a little

31

00:02:19,750 --> 00:02:18,080

bit scary inside of a spaceship using a

32

00:02:37,400 --> 00:02:19,760

ball peen hammer but

33

00:02:37,410 --> 00:02:42,790

[Music]

34

00:02:42,800 --> 00:02:50,580

here comes luca

35

00:02:50,590 --> 00:03:02,309

[Music]

36

00:03:07,670 --> 00:03:04,869

now let's try it backwards

37

00:03:16,550 --> 00:03:10,229

nicely stuck

38

00:03:20,470 --> 00:03:17,910

he got

39

00:03:41,750 --> 00:03:22,309

okay

40

00:03:44,149 --> 00:03:42,789

all right

41

00:03:57,509 --> 00:03:44,159

thanks for the honor guys i really

42

00:03:57,519 --> 00:04:04,309

look back

43

00:04:47,830 --> 00:04:06,949

how's she look
