00:00:24,000 --> 00:00:16,020  
I grew up in star city and it happened

2  
00:00:31,350 --> 00:00:28,689  
in our billion a lot of people very

3  
00:00:34,299 --> 00:00:31,360  
famous cosmonauts like alexei leonov

4  
00:00:38,970 --> 00:00:34,309  
valentina Tereshkova all cosmonaut who

00:00:44,220 --> 00:00:38,980  
were involved in a Soviet space program

6  
00:00:50,979 --> 00:00:47,710  
it's interesting then you know when you

7  
00:00:54,000 --> 00:00:50,989  
and your father doing the same job and

8  
00:00:58,000 --> 00:00:54,010  
you have much in common

9  
00:01:01,810 --> 00:00:58,010

talk about our profession but time to

12  
00:01:10,539 --> 00:01:08,150  
time when some some occasion I know we

13  
00:01:12,490 --> 00:01:10,549

just start talking about it and then

14

00:01:15,340 --> 00:01:12,500

sisters tend to use his experience of

15

00:01:20,990 --> 00:01:15,350

his spaceflight in my fly and it's

16

00:01:25,760 --> 00:01:23,600

you know program is so interesting and

17

00:01:28,100 --> 00:01:25,770

of course I'm looking forward to be

18

00:01:31,640 --> 00:01:28,110

again part of the station crew and

19

00:01:35,540 --> 00:01:31,650

during all those experiments of course

20

00:01:41,420 --> 00:01:35,550

support my friends scored a mission of
