

EXPEDITION 46/47

1
00:00:09,030 --> 00:00:06,869
the december launch of expedition 4647

2
00:00:10,709 --> 00:00:09,040
will feature two space veterans and one

3
00:00:12,230 --> 00:00:10,719
first-time flyer to the international

4
00:00:14,629 --> 00:00:12,240
space station

5
00:00:17,349 --> 00:00:14,639
nasa astronaut tim copro will serve as a

6
00:00:19,269 --> 00:00:17,359
flight engineer for expedition 46 the

7
00:00:22,630 --> 00:00:19,279
same role the west point graduate served

8
00:00:24,470 --> 00:00:22,640
in 2009 during expedition 20.

9
00:00:26,950 --> 00:00:24,480
tim will become the station commander

10
00:00:29,509 --> 00:00:26,960
for expedition 47.

11
00:00:31,189 --> 00:00:29,519
esa astronaut tim peake will also serve

12
00:00:33,590 --> 00:00:31,199
as a flight engineer

13
00:00:35,670 --> 00:00:33,600

tim is a test pilot with over 3 000

14

00:00:36,790 --> 00:00:35,680
flight hours on more than 30 types of

15

00:00:38,790 --> 00:00:36,800
aircraft

16

00:00:40,950 --> 00:00:38,800
he will be the first british astronaut

17

00:00:43,030 --> 00:00:40,960
to visit the space station

18

00:00:45,590 --> 00:00:43,040
the soyuz commander will be veteran

19

00:00:46,910 --> 00:00:45,600
cosmonaut yuri malenchenko

20

00:00:50,310 --> 00:00:46,920
yuri has spent

21

00:00:53,189 --> 00:00:50,320
641 days in space and has spent over a

22

00:00:54,869 --> 00:00:53,199
day working outside in space during five

23

00:00:57,990 --> 00:00:54,879
space walks

24

00:01:00,630 --> 00:00:58,000
yuri first flew in space in 1994 on the

25

00:01:02,470 --> 00:01:00,640
mir 16 mission

26

00:01:05,270 --> 00:01:02,480

this crew will spend six months on the
