

HATCH EXIT

1
00:00:13,589 --> 00:00:10,310
greetings from the international space

2
00:00:15,829 --> 00:00:13,599
station i'm chad lindgren

3
00:00:18,310 --> 00:00:15,839
i'm scott kelly

4
00:00:21,189 --> 00:00:18,320
and we just wanted to wish you a very

5
00:00:23,670 --> 00:00:21,199
warm and happy thanksgiving um

6
00:00:25,589 --> 00:00:23,680
we are uh incredibly thankful for the

7
00:00:28,150 --> 00:00:25,599
opportunity to be up here on the

8
00:00:29,429 --> 00:00:28,160
international space station uh working

9
00:00:32,389 --> 00:00:29,439
and living

10
00:00:34,389 --> 00:00:32,399
in this amazing orbiting laboratory a

11
00:00:37,030 --> 00:00:34,399
physical manifestation of what is

12
00:00:40,150 --> 00:00:37,040
possible when uh the great countries of

13
00:00:42,830 --> 00:00:40,160

the world work together

14

00:00:46,310 --> 00:00:42,840

with communication cooperation and

15

00:00:49,110 --> 00:00:46,320

collaboration uh towards peaceful means

16

00:00:51,110 --> 00:00:49,120

to perform research that uh benefits

17

00:00:52,150 --> 00:00:51,120

humanity back on the earth

18

00:00:54,470 --> 00:00:52,160

um

19

00:00:56,869 --> 00:00:54,480

we're thankful for the thousands if not

20

00:00:59,510 --> 00:00:56,879

tens of thousands of people at nasa and

21

00:01:01,189 --> 00:00:59,520

its contractor companies and all the

22

00:01:03,750 --> 00:01:01,199

international partner space agencies

23

00:01:05,830 --> 00:01:03,760

around the world that work so hard to

24

00:01:07,270 --> 00:01:05,840

keep us safe and make us uh so

25

00:01:09,270 --> 00:01:07,280

successful up here on the international

26

00:01:12,390 --> 00:01:09,280

space station i'm personally thankful

27

00:01:14,149 --> 00:01:12,400

for for my friends and family especially

28

00:01:18,789 --> 00:01:14,159

my wife and children and i'm looking

29

00:01:22,310 --> 00:01:21,030

and just to add a little bit to what

30

00:01:24,310 --> 00:01:22,320

shell said

31

00:01:26,149 --> 00:01:24,320

um you know being on the space station

32

00:01:28,630 --> 00:01:26,159

here and looking down at the uh our

33

00:01:31,190 --> 00:01:28,640

incredibly uh beautiful planet gives us

34

00:01:33,830 --> 00:01:31,200

a uh a different perspective on on what

35

00:01:35,510 --> 00:01:33,840

it means to be uh you know citizens of

36

00:01:37,109 --> 00:01:35,520

of planet earth and

37

00:01:39,590 --> 00:01:37,119

you know since i've been up here we've

38

00:01:41,749 --> 00:01:39,600

seen you know so many bad things that

39

00:01:44,389 --> 00:01:41,759

that often happen

40

00:01:46,469 --> 00:01:44,399

down there we follow that on the news

41

00:01:48,550 --> 00:01:46,479

and it just makes me really thankful to

42

00:01:51,109 --> 00:01:48,560

live in a a country

43

00:01:52,830 --> 00:01:51,119

uh like the united states that uh you

44

00:01:54,630 --> 00:01:52,840

know provides us with freedom and

45

00:01:56,630 --> 00:01:54,640

opportunity and

46

00:01:58,469 --> 00:01:56,640

you know for me being a you know a

47

00:02:00,230 --> 00:01:58,479

middle class kid from new jersey to just

48

00:02:01,990 --> 00:02:00,240

have the privilege to come up here and

49

00:02:04,310 --> 00:02:02,000

and represent my country like this so

50

00:02:07,109 --> 00:02:04,320

that's uh this is what i'm thankful for

51
00:02:08,469 --> 00:02:07,119
in this thanksgiving and uh

52
00:02:11,670 --> 00:02:08,479
you know we're gonna have the day off

53
00:02:13,910 --> 00:02:11,680
which is great we're gonna watch some uh

54
00:02:15,589 --> 00:02:13,920
some football it's a little bit later in

55
00:02:17,910 --> 00:02:15,599
the afternoon for us but we're planning

56
00:02:19,589 --> 00:02:17,920
on doing that and we are we're also

57
00:02:21,350 --> 00:02:19,599
gonna have a little thanksgiving dinner

58
00:02:23,670 --> 00:02:21,360
of space food

59
00:02:25,750 --> 00:02:23,680
we got an example here of what we're

60
00:02:26,790 --> 00:02:25,760
gonna have

61
00:02:29,110 --> 00:02:26,800
and uh

62
00:02:30,630 --> 00:02:29,120
so we got some uh

63
00:02:31,990 --> 00:02:30,640

some turkey

64

00:02:33,750 --> 00:02:32,000

it's uh

65

00:02:35,430 --> 00:02:33,760

smoked turkey if chell i don't know if

66

00:02:36,790 --> 00:02:35,440

you want to open that up

67

00:02:41,309 --> 00:02:36,800

and

68

00:02:47,110 --> 00:02:41,319

some

69

00:02:49,110 --> 00:02:47,120

potatoes aug rotten

70

00:02:52,309 --> 00:02:49,120

so chell's gonna

71

00:02:53,750 --> 00:02:52,319

try the turkey

72

00:02:55,910 --> 00:02:53,760

and

73

00:02:57,750 --> 00:02:55,920

i'm going to give this this a little try

74

00:03:03,110 --> 00:02:57,760

here show you what this looks like out

75

00:03:06,149 --> 00:03:04,550

we don't have much of this stuff so i

76

00:03:08,790 --> 00:03:06,159

hope he enjoys that because that was his

77

00:03:15,030 --> 00:03:08,800

thanksgiving dinner right there

78

00:03:19,910 --> 00:03:17,270

the candy yams

79

00:03:23,910 --> 00:03:21,350

ma'am
