

1
00:00:05,910 --> 00:00:03,750
hello jeff williams here on board the

2
00:00:08,470 --> 00:00:05,920
international space station

3
00:00:10,310 --> 00:00:08,480
monday may 16th

4
00:00:13,110 --> 00:00:10,320
2016

5
00:00:16,470 --> 00:00:13,120
at 0 6 10 greenwich mean time

6
00:00:18,550 --> 00:00:16,480
the iss will begin its 100 000th orbit

7
00:00:21,269 --> 00:00:18,560
as it crosses the equator

8
00:00:22,630 --> 00:00:21,279
this is a significant milestone and is a

9
00:00:24,630 --> 00:00:22,640
tribute to this international

10
00:00:28,390 --> 00:00:24,640
partnership made up of the european

11
00:00:32,150 --> 00:00:28,400
space agency of russia canada japan and

12
00:00:34,790 --> 00:00:32,160
the united states it occurs uh 17 and a

13
00:00:36,790 --> 00:00:34,800

half years after first element launch

14

00:00:39,430 --> 00:00:36,800

it's been 15 and a half years of

15

00:00:42,950 --> 00:00:39,440

continuous human presence on board this

16

00:00:44,790 --> 00:00:42,960

uh orbital outpost over 220 astronauts

17

00:00:48,709 --> 00:00:44,800

and cosmonauts from 18 different

18

00:00:51,590 --> 00:00:48,719

countries have lived or visited here

19

00:00:54,310 --> 00:00:51,600

it's a tribute to the the to the teams

20

00:00:56,470 --> 00:00:54,320

uh that designed it that put it together

21

00:00:59,430 --> 00:00:56,480

that the programs that

22

00:01:02,709 --> 00:00:59,440

keep us flying safe the people that work

23

00:01:04,149 --> 00:01:02,719

24 7 365 days a year

24

00:01:06,710 --> 00:01:04,159

to keep us

25

00:01:09,270 --> 00:01:06,720

effectively executing the mission and

26

00:01:11,350 --> 00:01:09,280

executing it safely it's also a tribute

27

00:01:15,749 --> 00:01:11,360

to those that have gone before us for

28

00:01:17,670 --> 00:01:15,759

example just 43 years ago on may 14th

29

00:01:18,950 --> 00:01:17,680

skylab launched

30

00:01:21,670 --> 00:01:18,960

which flew

31

00:01:24,630 --> 00:01:21,680

for a little less than a year and hosted

32

00:01:25,590 --> 00:01:24,640

three crews that was the united states

33

00:01:27,350 --> 00:01:25,600

first
