

1
00:00:10,709 --> 00:00:08,629
hello i'm stephanie wilson i'm karen

2
00:00:12,549 --> 00:00:10,719
nyberg and i'm rick wistracio we're here

3
00:00:15,030 --> 00:00:12,559
today in the orion mock-up and we're

4
00:00:17,510 --> 00:00:15,040
checking out the docking hatch

5
00:00:19,590 --> 00:00:17,520
when the crew is on orbit and docks with

6
00:00:21,590 --> 00:00:19,600
a habitation module that will take them

7
00:00:23,830 --> 00:00:21,600
to mars they'll be going through the

8
00:00:25,509 --> 00:00:23,840
docking hatch on top of this mock-up to

9
00:00:27,589 --> 00:00:25,519
climb into the other vehicle today we're

10
00:00:29,750 --> 00:00:27,599
practicing an emergency escape as if we

11
00:00:31,349 --> 00:00:29,760
landed in the ocean and the side hatch

12
00:00:33,430 --> 00:00:31,359
we can't use the side hatch because of

13
00:00:35,350 --> 00:00:33,440

large waves so we're practicing
