

1
00:00:00,506 --> 00:00:04,546
[Music]

2
00:00:05,046 --> 00:00:06,576
>> Open up the air lock.

3
00:00:06,666 --> 00:00:08,446
Pop. It's NASA.

4
00:00:08,696 --> 00:00:10,196
Come on. Turn it up.

5
00:00:10,276 --> 00:00:10,916
Turn it up.

6
00:00:10,916 --> 00:00:15,806
>> [Singing] Here they go from
control and the count begins.

7
00:00:15,906 --> 00:00:20,876
Because we ain't done
this before so step on in.

8
00:00:21,036 --> 00:00:25,656
Make yourself at
home here on Orion.

9
00:00:25,726 --> 00:00:27,506
Here we go launch off.

10
00:00:27,576 --> 00:00:32,946
Everybody gets a lift.

11
00:00:32,946 --> 00:00:34,586
>> [Singing] [Inaudible]
taking off with no fear.

12
00:00:35,136 --> 00:00:39,646

We know Mars ain't
near but NASA is here.

13

00:00:39,646 --> 00:00:41,616

Here. Welcome to NASA.

14

00:00:43,026 --> 00:00:44,446

Houston take control now.

15

00:00:45,196 --> 00:00:55,686

Scientists know how to
get us off the ground.

16

00:00:55,686 --> 00:00:58,886

Welcome to Johnson
[inaudible] and [inaudible].

17

00:01:00,516 --> 00:01:03,616

[Music]

18

00:01:04,116 --> 00:01:05,166

Welcome to Johnson.

19

00:01:06,516 --> 00:01:11,256

[Music]

20

00:01:11,756 --> 00:01:13,046

[Singing] Welcome to Johnson.

21

00:01:13,046 --> 00:01:17,026

Almost there and you know
that we just can't wait.

22

00:01:17,316 --> 00:01:18,606

Thinking about walking
out [inaudible].

23

00:01:18,606 --> 00:01:27,246

Six months have passed

we want to celebrate.

24

00:01:27,446 --> 00:01:28,776
Touchdown on Mars [inaudible].

25

00:01:28,776 --> 00:01:29,066
[Inaudible].

26

00:01:29,066 --> 00:01:31,386
[Inaudible] breaking
through stars,

27

00:01:31,516 --> 00:01:34,186
we're going to live on Mars.

28

00:01:34,416 --> 00:01:42,226
No need to [inaudible]
Orion take us there now.

29

00:01:42,226 --> 00:01:51,306
It's a [inaudible]
sunlight never fades out.

30

00:01:51,726 --> 00:01:55,966
All [inaudible] is astro food,

31

00:01:59,446 --> 00:02:00,386
[inaudible] experimental,
[inaudible].

32

00:02:02,516 --> 00:02:05,416
[Music]

33

00:02:05,916 --> 00:02:06,976
[Singing] Journey to red Mars.

34

00:02:07,516 --> 00:02:10,806
[Music]

35

00:02:11,306 --> 00:02:16,456

Journey to red Mars.

36

00:02:16,456 --> 00:02:19,796

>> Welcome to our new home, the sky, the rocks, the [inaudible]

37

00:02:20,026 --> 00:02:23,746

and [inaudible] excuse me if my step imprinted the land.

38

00:02:23,966 --> 00:02:26,236

Explored terrain and areas have [inaudible].

39

00:02:26,236 --> 00:02:26,303

[Inaudible] [foreign language spoken]

40

00:02:26,303 --> 00:02:27,926

and we will be going back.

41

00:02:28,116 --> 00:02:30,526

Another walk [inaudible] because his garden is the best.

42

00:02:30,666 --> 00:02:32,356

Yes, our home just relax.

43

00:02:33,096 --> 00:02:36,876

>> [Singing] Welcome to red Mars, all of our days slower,

44

00:02:37,286 --> 00:02:41,976

our gravity is lower, [inaudible] rovers.

45

00:02:41,976 --> 00:02:43,856

Welcome to our home.

46

00:02:43,936 --> 00:02:47,936

[Inaudible] sudden
marsh and rock

47

00:02:49,026 --> 00:02:51,216

and we are only [inaudible].

48

00:02:53,516 --> 00:02:57,936

[Music]

49

00:02:58,436 --> 00:03:00,146

Welcome to our home.

50

00:03:10,076 --> 00:03:05,456

Welcome to NASA.
