1
00:00:27,589 --> 00:00:03,030
oh what were you guys complaining about

2
00:00:27,599 --> 00:00:36,709
uh

3
00:00:42,389 --> 00:00:40,310
there's a hair on the end of this

4
00:00:44,630 --> 00:00:42,399
i think these are a perfect fit i think

5
00:00:46,150 --> 00:00:44,640
these were made for me

6
00:00:47,670 --> 00:00:46,160
i don't have to pay for these if i break

7
00:00:59,990 --> 00:00:47,680
them right

8
00:01:02,950 --> 00:01:01,510
i've done this like every day for a

9
00:01:07,910 --> 00:01:02,960
while now i feel like i should be better

10
00:01:07,920 --> 00:01:19,510
someone wearing this

11
00:01:19,520 --> 00:01:27,910
should have left a bigger gap

12
00:01:27,920 --> 00:01:31,910
is george washington on the court

13
00:01:36,550 --> 00:01:34,230

this is absolutely george washington

14

00:01:45,270 --> 00:01:36,560

yeah if i pick it up i get to keep it my

15

00:01:45,280 --> 00:01:54,389

okay i did this this morning

16

00:01:57,350 --> 00:01:56,069

thank god

17

00:01:59,670 --> 00:01:57,360

that astronauts don't have to wear

18

00:02:01,510 --> 00:01:59,680

business casual

19

00:02:05,109 --> 00:02:01,520

can i stick with this one top button and

20

00:02:05,119 --> 00:02:17,030

well i'm not going to start over

21

00:02:17,040 --> 00:02:31,350

oh man

22

00:02:36,869 --> 00:02:33,589

no i'm still waiting on you

23

00:02:38,790 --> 00:02:36,879

oh is this a competition

24

00:02:41,670 --> 00:02:38,800

i think i can take a bathroom break and

25

00:02:42,949 --> 00:02:41,680

still win

26

00:02:49,110 --> 00:02:42,959

this dress

27

00:02:49,120 --> 00:02:59,190

this is what they feed us here

28

00:02:59,200 --> 00:03:06,390

how's that

29

00:03:11,670 --> 00:03:08,790

greater appreciation for the astronauts

30

00:03:12,869 --> 00:03:11,680

and just how hard their job is yeah i

31

00:03:14,470 --> 00:03:12,879

definitely appreciate them like

32

00:03:16,070 --> 00:03:14,480

overcoming these small challenges that

33

00:03:28,070 --> 00:03:16,080

we definitely take for granted every

34

00:03:31,750 --> 00:03:29,589

so i'll start off with

35

00:03:34,149 --> 00:03:31,760

i went to elementary school in a place

36

00:03:36,070 --> 00:03:34,159

called erlong in germany
