

1
00:00:06,550 --> 00:00:05,269
hello everyone i'm going to show you how

2
00:00:07,990 --> 00:00:06,560
to make a peanut butter and jelly

3
00:00:08,950 --> 00:00:08,000
sandwich from the international space

4
00:00:11,030 --> 00:00:08,960
station

5
00:00:12,390 --> 00:00:11,040
uh every time we eat it's kind of fun uh

6
00:00:14,070 --> 00:00:12,400
everything will float around if you

7
00:00:16,150 --> 00:00:14,080
don't manage it so we have some tape to

8
00:00:18,470 --> 00:00:16,160
stick things on on our table here as

9
00:00:19,990 --> 00:00:18,480
well as a bunch of velcro all right so

10
00:00:21,910 --> 00:00:20,000
the first thing we need for our sandwich

11
00:00:23,590 --> 00:00:21,920
is a piece of bread well up here we

12
00:00:25,269 --> 00:00:23,600
don't have bread like you do on earth

13
00:00:27,670 --> 00:00:25,279

but we have tortillas

14

00:00:29,349 --> 00:00:27,680

so we use tortillas a lot for uh

15

00:00:31,429 --> 00:00:29,359

sandwiches so that's what i'm going to

16

00:00:32,790 --> 00:00:31,439

use for my peanut butter and jelly i'm

17

00:00:34,310 --> 00:00:32,800

going to stick that down with some tape

18

00:00:36,229 --> 00:00:34,320

here so it doesn't go floating away

19

00:00:38,389 --> 00:00:36,239

while i'm getting everything else ready

20

00:00:40,549 --> 00:00:38,399

so i'll get my peanut butter out

21

00:00:42,389 --> 00:00:40,559

and even the lids on the peanut butter

22

00:00:44,229 --> 00:00:42,399

have a piece of velcro on it so they

23

00:00:46,069 --> 00:00:44,239

don't go floating away if i let it go

24

00:00:47,510 --> 00:00:46,079

it'll kind of just float there

25

00:00:49,350 --> 00:00:47,520

for a little while and then eventually

26
00:00:50,790 --> 00:00:49,360
the the air conditioning system in here

27
00:00:52,150 --> 00:00:50,800
will take it away somewhere else so i

28
00:00:55,110 --> 00:00:52,160
don't want to lose it

29
00:00:56,790 --> 00:00:55,120
so i'm going to stick it on the table

30
00:00:58,310 --> 00:00:56,800
i'll scoop out some peanut butter for my

31
00:01:00,069 --> 00:00:58,320
sandwich

32
00:01:01,910 --> 00:01:00,079
i gotta stick this somewhere otherwise

33
00:01:03,510 --> 00:01:01,920
it just goes floating away too but just

34
00:01:06,710 --> 00:01:03,520
for now if it's just a few seconds like

35
00:01:08,149 --> 00:01:06,720
this i can just leave it let it float

36
00:01:09,670 --> 00:01:08,159
i'll spread the peanut butter on my

37
00:01:13,990 --> 00:01:09,680
sandwich

38
00:01:19,109 --> 00:01:17,250

and then i'll get my jelly ready

39

00:01:20,230 --> 00:01:19,119

[Music]

40

00:01:21,830 --> 00:01:20,240

see a lot of things you got to think

41

00:01:24,469 --> 00:01:21,840

about and manage while you're while

42

00:01:26,070 --> 00:01:24,479

you're eating up here

43

00:01:31,590 --> 00:01:26,080

and you just spread the jelly on the

44

00:01:35,910 --> 00:01:33,910

that as well needs to get

45

00:01:37,910 --> 00:01:35,920

attached to the table so there's my

46

00:01:38,950 --> 00:01:37,920

peanut butter and jelly tortilla or

47

00:01:40,710 --> 00:01:38,960

sandwich

48

00:01:42,390 --> 00:01:40,720

from up here i'll just kind of close it

49

00:01:44,870 --> 00:01:42,400

up

50

00:01:46,149 --> 00:01:44,880

[Music]

51

00:01:47,590 --> 00:01:46,159

and enjoy

52

00:01:54,469 --> 00:01:47,600

see if you guys can enjoy it as it's
